VORWORT

DIE REINE HINGABE

von Swami Nirvanananda

Bhakti ist ein sehr gebrauchtes Wort in Indien und bedeutet „die Reine Hingabe“. In allen mystischen Traditionen gibt es die Reinen Gottergebenen, die das Reine Herz, den Schatz jeglicher Spiritualität darstellen. Die Hingabe ist schwer zu beschreiben, weil sie jenseits der Vernunft geht. Einige Mystiker werden auch die „Verrückten Gottes“ genannt. Niemand kann dem Reinen Herzen befehlen, niemand kann es zum vernünftigen Denken zwingen, weil es einfach ist und daher kann niemand das Reine Sein kontrollieren.

Die Reine Hingabe ist das Herz der Göttlichen Liebe und daher ist es das wesentliche Ziel unserer Existenz. Das sich Auflösen im glühenden Feuer der Göttlichen Leidenschaft und das Verlieren der Grenzen des kleinen Bewusstseins ist der Weg aller großen Mystiker, welche diesen Weg bis in die Tiefe gegangen sind und dabei für ihre inneren Überzeugungen oft auch mit dem eigenen Leben bezahlt haben.

Am Beginn meines spirituellen Weges habe ich verschiedene Traditionen kennengelernt und war überzeugt, mit deren Techniken das Nirwana zu erreichen. Nach einigen Jahren aber spürte ich, daß mir etwas fehlte, genauso wie beim Essen einer ungewürzten Speise. Was fehlte mir?

Plötzlich entdeckte ich, daß die Reine Hingabe das Salz des Lebens ist. Somit entfaltete sich in meinem Herzen die Bhakti. Indem ich den Lehren meines Gurus Paramhansa Yogananda folgte, begann ich die Gegenwart Gottes zu fühlen. SO HAM: ich bin eins mit Gott. Bei jedem Atemzug ist Gott da.

Die Göttliche Gnade offenbarte sich ohne Zweifel. Gott war für mich nun nicht mehr das Nichts, sondern das „Alles“. Gott war immer an der Wurzel jeder Wahrnehmung gegenwärtig. Und dieses Wahrnehmen jenseits der Sinne wurde für mich zur unerklärlichen Freude: die Freude, die Tränen vergießt.

Mein Leben veränderte sich nun vollständig. Ich fühlte mich in dieser neuen Dimension wie neugeboren. Ich erinnerte mich der Frage von Nikodemus: „Wie kann man von neuem geboren werden?“. Jesus antwortete: „Du mußt durch das Wasser und den Heiligen Geist wiedergeboren werden.“, das heißt durch Läuterung und Hingabe.

Nur indem man die Mystik entdeckt, kann man die Schwelle überschreiten und in das Wahre Leben eintreten. Hier erschien mir alles tot, nur farbige Schatten, die sich mechanisch bewegen. Ich erinnerte mich der Höhle Platons, wo die auf die Wände projizierten Schatten nur Illusion sind, aber als Wirklichkeit empfunden werden. Nur in einem neuen Bewusstsein gibt es das Wahre Leben.

Wie also kann man von neuem geboren werden? Indem man sich im Schoß der Kosmischen Mutter läutert und im Herzen des Geistes wächst.

Die erste Erfahrung mit Indien wurde sehr wertvoll.

Dort ist nämlich die Frömmigkeit ein Teil des täglichen Lebens von Millionen von Menschen. Die ganze indische Kultur und Tradition ist erfüllt von reiner Hingabe, angefangen vom Brahmanen bis zum Paria und kastenlosen Menschen. Die Gesten, die Worte der Hingabe an Gott sind vollkommen natürlich. Ich habe noch nie ein Land und ein Volk mit soviel Liebe für Gott gesehen.

Tausende kleine Gesten auf den Straßen, im Verkehr, überall, zeugen von dieser Treue gegenüber den großen spirituellen Prinzipien: ein kleines brennendes Weihrauchstäbchen auf dem Stand des Marktes, ein kleines heiliges Bildnis, das dich auch aus der stinkigsten Ecke der Straße beobachtet, eine kleine frische Blume auf dem Armaturenbrett des Rikschas oder ein kleiner Rosenkranz in der Hand des Bettlers.

In diesem Land versteckt sich überall die Liebe zu Gott, nicht nur in den großen prunkvollen Tempeln, wo Tausende von Gläubigen täglich in der Reihe stehen, um den heiligen Darshan, die Vision des Göttlichen, seinen Schutz und seinen Segen zu bekommen. Hier erstrahlt die Liebe zu Gott noch mehr in den elenden Behausungen, im Blick desjenigen, der auf der Straße lebt, der nicht weiß, ob er am Abend etwas zu essen hat oder in seine Hütte mit leeren Händen zurückkehrt.

Die Frömmigkeit ist nicht nur Liebe zu Gott, aber auch Vertrauen, Hoffnung, Demut, Hingabe und Zufriedenheit. All dies sieht man in den Blicken hunderter Personen, denen man auf der Straße begegnet.

Wie versteht man, welches die Wahre Hingabe ist?

Wenn dir spontan ohne Grund die Tränen in den Augen kommen. Was dich im Herzen berührt, erzeugt ein unkontrolliertes Weinen.

Also verstand ich die Wahrheit der Worte von Ramakrishna: Gott wird sich dem zeigen, der fähig ist, für Gott zu weinen auch nur für einen einzigen Tag. Es ist nicht nur das Gefühl eines Augenblicks, sondern es ist ein Feuer, das sich entfacht und nie mehr erlischt. Es sind jene Flammen, die wie eine nukleare Reaktion bei der Geburt eines Sterns unkontrollierbar sind. „Ja, es ist dort wo ich leben will, in der vollkommenen und unendlichen Verschmelzung mit dem Reinen Sein“.

Bhakti, ist ein einfaches Wort, das eine unbegrenzte Welt versteckt. Wer entzündet? Was entzündet sich? Es ist alles ein wunderbares Geheimnis.

Paramhansa Yogananda sagte, dass auf dem geistigen Pfad der spirituelle Gesang die Hälfte des Kampfes ist. Wenn aber der Gesang nicht vom Herzen kommt, ist dies wie ein Messer ohne Klinge oder eine Kerze ohne Docht. Kann ein Papagei, der ein Mantra lernt und dieses oft wiederholt, sich in einen Engel verwandeln? Nur was vom Herzen kommt, kann ein anderes Herz berühren.

Der Herr thront im Herzen jeder Kreatur und ist zutiefst im Herzen des Frommen berührt, wenn die Süße seiner Liebe reichlich fließt. Die Worte, die nicht vom Herzen kommen, sind wie abgeschossene Pfeile ohne Ziel, die sich im unendlichen Dunkel der Stille verlieren. Nur lichtvolle Worte können die leuchtende Seele unseres Bewußtseins berühren.

In Wirklichkeit ist der Herr nur von der Liebe bewegt, weil Er Reine Liebe ist. Dort wo die Liebe ist, fehlt nichts; dort aber wo die Liebe nicht ist, fehlt alles. Ist es nicht wahr, daß die Hoffnung und der wahre Glaube nur im Garten der Liebe erblühen können? Die Liebe ist das einzige Licht, das die in Dunkelheit eingehüllte Seele beleuchten kann.

Nur das Herz, das sich verliebt, scheint wie die Sonne und wird nie von der Dunkelheit eingehüllt. Nur der wahre Fromme kann überall gehen und jegliches Herz zu jeder Nachstunde berühren, weil in seinem Herzen die Sonne nie untergeht.

Die großen Mystiker beschreiben die große Sehnsucht wie jene eines Verliebten, der für kurze Zeit seine Geliebte kennengelernt hat. Nur ein kurzer Blick, ein flüchtiger Kontakt. Dann kommt blitzartig die Trennung und diese brennt mehr als eine Wunde.

Auf dieselbe Weise kann jemand, der Gott auch nur für einen Augenblick erkannt hat, wegen seiner Abwesenheit verrückt werden. Auch wenn dieses Licht nur für einen Moment in unserem Herzen gestrahlt hat, haben wir so lange keinen Frieden mehr bis wir dieses Licht in der Dunkelheit, in der wir leben, wiedergefunden haben.

Für jene wertvolle Perle werden wir jedes andere Ding verkaufen, weil alles auf der Erde keinen Wert hat im Vergleich zu jenem kleinen Licht, jenem kleinen Schimmer, der für einen Augenblick unser Bewußtsein erhellt hat. Auch wenn Gott uns fern erscheint, ist Er in Wirklichkeit in der Sehnsucht unserer Herzen, unseren Gebeten und unseren Gesängen noch mehr gegenwärtig. „Ich denke nur an Ihn, ich

sehne mich nur nach Ihm, es existiert nichts außer Er“.

So ist die Liebe des Verliebten, sein Gesang der Hingabe und seine zärtlichen Tränen flüstern andauernd: „Nur Du, Du allein genügt mir“.

LA PREGHIERA DEL CUORE – 1990

*V'INVITO CARI FIGLI
COME UN FIUME
SULLE STRADE DELLA SANTITA
LA PREGHIERA DEL CUORE
REGINA DELLA PACE
VEDETE COME LA NATURA*

V'INVITO CARI FIGLI

V'invito cari figlia ad incontrare Dio
Perché nella preghiera Iddio a voi si dona
Ma una risposta Egli desidera in piena libertà

V'invito cari figli durante la giornata
A ritrovare il tempo per poter pregare
Nella pace e nell'umiltà e lì incontrare Dio

V'invito cari figli a sempre vegliare
Perché in ogni preghiera Iddio vi dona gioia
Io sono qui ora assieme a voi
E per voi Lui imploro

COME UN FIUME

Cari figli oggi v'invito a gioire, a rallegrarvi
Perché Iddio vi ha creati in maniera meravigliosa
E pregate perché dal vostro cuore
Scorra come un fiume
Sempre la gioia e la benedizione per la vostra vita

Cari figli ringraziate senza posa
Per ciò che possedete
Per la vita che Dio vi dona in maniera meravigliosa
E pregate perché sul vostro cuore
Scenda come un fiume
Sempre la gioia e la benedizione per la vostra vita

SULLE STRADE DELLA SANTITÀ

Anche oggi v'invito sulla strada della santità
E pregate cari figli per conoscer la bellezza
Di questo cammino dove
Dio si manifesta a voi
In modo particolare Dio si manifesta a voi

Pregate per poter essere aperti a tutto ciò che Dio opera
attraverso di voi
E per poter nella vostra vita
Ringraziare Dio e rallegrarvi
Per tutto ciò che Egli fa
Mediante ognuno di voi tutto ciò Egli lo fa

LA PREGHIERA DEL CUORE

Durante questo tempo di Grazia
Desidero che ognuno di voi
Si unisca alla preghiera del cuore
Si unisca sempre più a Gesù
A Gesù, a Gesù, a Gesù

Senza una incessante preghiera
Non potete mai sentire
La grandezza e la bellezza
Della Grazia che Dio vi dà
Che Dio vi dà, che Dio vi dà

Perciò figlioli tutto il tempo
riempite sempre il vostro cuore
Con le più piccole preghiere
Con le preghiere per Gesù
A Gesù, a Gesù, a Gesù

Io sono qui con voi
E veglio incessantemente
Su ogni cuore che si dona a me
Che si dona a me, che si dona a me

REGINA DELLA PACE

Madre, siam figli tuoi,
Ascolta, ascolta i nostri cuori
Sei Tu la Madre dell'Amore
Sei Tu la Regina della Pace

Figli venite a me, aprite, aprite i vostri cuori
Io sono la Madre dell'Amore
Io sono la Regina della Pace

Figli venite a me
Abbandonatevi totalmente a me
Io sono la Madre dell'Amore
Io sono la Regina della Pace

Figli venite a me, offrite sacrifici al Signore
Io sono la Madre dell'Amore
Io sono la Regina della Pace

Figli venite a me, ricevete la mia benedizione
Io sono la Madre dell'Amore
Io sono la Regina della Pace

VEDETE COME LA NATURA

Figli vedete come la natura
Si apre e dona a voi la vita e i suoi frutti
Così anch'io v'invito alla vita
Ad abbandonarvi totalmente, a donarvi a Dio

Figli desidero che ognuno
Di voi scopra la gioia e l'Amore
Che solo in Dio esiste veramente
Che solo Dio vi può donare

E pensare che in ogni cosa c'è
Un piccolo cuore
E' sempre Iddio che vi parla
In ogni piccolo fiore

Figli perciò ora pregate
Per dedicarvi a Dio totalmente
Ché ogni cosa di questo mondo passa
Mentre Dio soltanto alla fine rimane

E scoprire che in ogni cosa c'è
Quel tocco divino
È sempre Dio che vi guida
Sul più nero cammino

Figli sentite come Dio gioisce ora in voi

TEARS OF JOY

Canto di P. Yogananda

Will that day come to me, Ma?
Will that day come to me, Ma?
When singing “oh Mother dear”,
my eyes will flow tears?

Wisdom lotus will blossom forth,
Wisdom lotus will blossom forth,
all the darkness will steal away,
all the darkness will steal away!

*Steal away, steal away...
all the darkness will steal away!*

A thousand Vedas do declare,
A thousand Vedas do declare:
“Divine Mother is everywhere!”
“Divine Mother is hiding everywhere!”

*Everywhere, everywhere
Divine Mother is hiding everywhere.*

DELIVER US FROM DELUSION

Canto di P. Yogananda

Think ye in thy heart
lotus feet of thy Guru.
If you want to cross
the ocean of delusion.
Shaming the white lotus in purity
beyond all duality
Oh Guru, image of God,
deliver us from delusion!

Pensati solo per un momento
ai piedi del tuo Guru.
Sei vuoi attraversare
l'oceano dell'illusione
nel puro cuore del Guru
oltre ogni dualità.
Oh Guru, immagine di Dio,
liberaci dall'illusione!

Canto di P. Yogananda

Mother, I give You my soul call,
You can't remain hidden anymore.
Give my Mother a soul call,
She can't remain hidden anymore.

Come out the silent sky,
come out the mountain glen.
*Come out my secret soul, Mother,

Oh Madre...io Ti chiamo con tutta l'anima,
nel silenzio più non puoi restar.
Chiama mia Madre, con tutta l'anima,

DIVINE MOTHER SONG TO DEVOTEE

Canto di P. Yogananda

Oh Devotee, I may give you salvation,
but not my love and devotion,
for when I give those away,
I give My Self away.
Please, ask for Me salvation,
but not My love and devotion,
for indeed when I give those away,
I become poor
enclosed in your hearts way.
Enclosed in your hearts way.

O figlio mio, Io ti posso salvare,
ma l'Anima Mia non ti posso dare,
se tutto l'Amore donassi a te,
che rimarrebbe allor di questo Sé.
Sì figlio mio, io ti posso salvare,
ma l'Anima Mia non ti posso dare.
Se tutto l'Amore donassi a te,
che rimarrebbe allor di questo Sé,
chiuso nel tuo piccolo cuore,
racchiuso nel tuo piccolo cuore?

SEI TUTTO PER ME*

OLTRE I MIEI SOGNI

In quel paese oltre i miei sogni...

In quel paese oltre i miei sogni...

Le buie nubi lì non arrivano,
in quel paese oltre i miei sogni.

Lì i cuor si incontran e s'abbraccian l'anime,
in quel paese oltre i miei sogni.

Lì il dolor né la morte osa entrar,
in quel paese oltre i miei sogni.

La nave aspetta mentre io sto a sognar,
di quel paese oltre i miei sogni.

Ed in silenzio muta la nave va,
verso il paese oltre i miei sogni.

Le nostre vite alla fine risorgeran,
in quel paese oltre i miei sogni.

CHI E' NEL MIO TEMPIO ?

*Chi è nel mio tempio?
Chi è nel mio tempio?
Tutte le porte s'aprono,
tutte le luci si accendono!
Tutte le porte s'aprono,
tutte le luci si accendono!*

Buio come nero uccello
vola via, vola via.
Buio come nero uccello
vola via, vola via.
Vola via!

ODI, ODI, ODI

Odi, Odi, Odi,
il canto del mio cuore!
Odi, Odi, Odi,
il canto del mio cuore!

Io mai più Ti scorderò,
io mai più Ti lascerò!

Io mai più Ti scorderò,
mai io Ti abbandonerò!

PORTA DEL MIO CUORE

Porta del mio cuor,
tengo aperta io per Te.
Vieni Tu, vieni Tu,
una volta vieni a me.

Voleranno i miei dì,
senza averTi qui, oh Signore.
Notte e dì, notte e dì,
io Ti cerco notte e dì.

SEI TU LA MIA VITA

*Sei tu la mia vita, sei tu il mio amore,
sei la dolcezza che io cercai!*

Nel mio pensiero nato d'amor,
sento il soave nome Tuo.

Sa il tuo fedel che dolce sei,
solo colui cui fai sapere.

OH, DIO MAGNIFICO

*Oh, Dio magnifico, oh Dio magnifico,
io mi inchino ai piedi Tuoi.*

Nei boschi e nei prati, Tu sei verde,
nelle montagne più alte sei la cima,
nell'impeto del fiume sei la corrente,
nella profondità del mare sei la pace.

Per chi soccorre Tu sei l'aiuto,
nel cuore di chi ama sei l'amore,
e per chi piange sei simpatia,
per il devoto sei l'eterna gioia.

*Oh, Dio magnifico, oh Dio magnifico,
io mi inchino ai piedi Tuoi.*

IO SONO L'ONDA

Così sia o mio Signor...
Così sia o mio Signor...
Tu ed io divisi mai più Madre!
Tu ed io divisi mai più.

Onda del mare, ritorna nel mare.
Onda del mare, ritorna nel mare.
Io sono l'onda rendimi mare.
Io sono l'onda rendimi mare.

Rendimi mare, rendimi mare...
Rendimi mare, rendimi mare...

Io sono l'onda rendimi mare.
Io sono l'onda rendimi mare.

HANNO UDITO IL TUO NOME

*Hanno udito il Tuo nome
gli zoppi, ciechi e i deboli.*

Chi si è perso nel buio,
oh dove andrà?
Chi si è perso nel buio,
oh dove andrà?
Non hanno che Te, oh Luce!
Non hanno che Te, oh Luce!
Oh Signore guidali!

A chi è colpito nel cuore,
asciugane il pianto!
A chi è colpito nel cuore,
asciugane il pianto!
Han bussato alla Tua porta!
Han bussato alla Tua porta!
Oh Signore accoglili!

QUANDO CANTI

Dolce è la vita, morire è un sogno

*Quando canti qui con me o Dio,
io Ti sento vivo in me.*

Dolce è la gioia, essere tristi un sogno.

Dolce è salute, soffrire è un sogno.

Dolce è la lode, essere in colpa è un sogno.

SEI TUTTO PER ME

Sei Tu mia Madre, mio Padre Tu sei.

Sei mio Fratello, mio Amico Tu sei.

Sei tu la Saggezza, il Tesoro, Tu sei.

Sei tutta Luce, di Luce Tu sei.

Que rien te trouble, que rien t'effraies,

chi ha Dio niente gli manca!

Let nothing trouble you,

I WILL BE THINE ALWAYS

Canto originale di P. Yogananda

May I go far, farther than the stars,
but Lord I will be Thine always,
my Lord, I will be Thine always!

Devotees may come, devotees may go,
but I will be Thine always,
my Lord, I will be Thine always!

And when I die look into my eyes,
they will mutely say “I will be Thine always”,
my Lord, I will be Thine always!

Bin ich auch fern, ferner als ein Stern
So will ich Dein eigen sein Oh mein Herr
ich will doch Dein eigen sein
Oh mein Herr auf ewig Dein eigen sein

Viele Suchen Dich und viele verlassen Dich
Oh mein Herr ich will doch Dein eigen sein

Sterbe ich in Dir schaue in die Augen mir
Oh mein Herr ich will doch Dein eigen sein

Se me ne andrò ... più lontano delle stelle,
Oh mio Dio, io sarò per sempre Tuo...

In molti cercano, ma chi continuerà?
Oh mio Dio io sarò per sempre Tuo...
Oh mio Dio, se mi sostieni, sarò per sempre Tuo...

E quando muoio guardami negli occhi,
che dicono, dicono muti “Sempre Tuo !”...
Oh mio Dio io sarò per sempre Tuo...
Ma io sarò per sempre Tuo...

DO NOT DRY THE OCEAN

Canto originale di P. Yogananda

Do not dry the ocean of my love,
with the fires of my desires,
with the fires of my restlessness...,
*For Thee I pine, for Thee I weep,
I'll cry no more Thou mine evermore...*

For Thee I find behind
the fringe of my mind,
do not leave me Lord, do not leave me...

Del mio amor non prosciugar l'oceano,
con il gioco dei miei pensieri,
con il fuoco dei miei desideri.
*È Te che io cerco è Te che io voglio,
non piangerò più se starai con me...*

Tu solo sei oltre i limiti della mente,
non lasciarmi da solo Signore,
non lasciarmi da solo mai più...

Tu solo sei oltre i limiti della mente...

Vieni amore di Cristo Gesù...

DA QUESTO SOGNO

Canto originale di P. Yogananda

Da questo sonno Madre, puoi svegliarmi?
Da questo sogno Madre, puoi svegliarmi?

In Te mi perdo, in Te mi ritrovo.
Nella Tua pace infinita, in Te.
Nella Tua luce infinita, in Te.
Nel Tuo amore infinito, in Te.
Nella Tua gioia infinita, in Te.

In Te io muoio, in Te io risorgo.

*From this sleep Lord, will You wake me?
From this dream Lord, will You wake me?*

*In Thee I dive, in Thee I rise,
to live forever, in Thee,

*In Thee I'm born, in Thee I die,
to live forever, in Thee,

SE VUOI CHE IDDIO TI RISPONDA

Se vuoi che Iddio ti risponda,
che Lui ti risponda oppure no,
continua a chiamarLo, ad invocarLo
senza posa con le tue più assidue preghiere.
Se vuoi che Iddio ti risponda,
che Lui venga oppure no,
confida che sempre più Egli si avvicini a te,
ad ogni palpito del tuo cuore.

*E nel mezzo della danza della vita e della morte,
se continuerai a chiamarLo,
senza farti sfiduciare dal Suo silenzio,
sai che per Lui è solo un gioco.*

*Oh Gesù mio vieni accanto a me,
più accanto a me, più accanto a me.*

Se vuoi che Iddio ti risponda,
che Lui Ti parli oppure no,
non stancarti di chiamarLo e di implorarLo
se la risposta non è mai quella che aspetti.
Se vuoi che Iddio ti risponda,
che Lui ti appaia oppure no,
non dubitare che velatamente si rivolgerà a te
nel buio delle tue più intense preghiere

PUO' QUESTA VITA ?

Può questa vita che scorre nel mio corpo,
non essere divina...?

*Oh Fonte di Luce,
la pace Tua
si espande in me
e intorno a me.*

Può questa gioia che vive nel mio corpo,
non essere divina...?

Può questa luce che scorre nel mio corpo,
non essere divina...?

Può questo amore che vive nel mio corpo,
non essere divino...?

ABBANDONARMI ALLA SUA VIA

Quando le stelle si stinguono
ad una ad una nell'infinito cielo,
ed il fero sole scompare
improvvisamente nella notte
anche il debole sussurro della Luna
Pian pian si sfoca...

*Non mi rimane allora
che abbandonarmi del tutto alla Sua via,
che abbandonarmi alla Sua via,
che abbandonarmi alla Sua via,
che abbandonarmi alla Sua via.*

*Jaya Jaya Govinda Radha Jaya Jaya Gopala
Jaya Jaya Govinda Radha Jaya Jaya Gopala.*

Quando la ruota del destino inesorabilmente gira,
travolgendo l'esistenza di interi universi,
ad ogni giorno che qui
timido m'appare e scompare
Non mi rimane allora...

Ed ogni fiore che sboccia
reca in sé già il suo appassire,
e anche gli alberi vestiti a festa
si sfogliano tristemente,
i personaggi più importanti

che han brillato son già caduti
Non mi rimane allora...

Intere ere e generazioni in brevi attimi svaniti
tante speranze come fuochi
che si spengono in un soffio,
sommessamente anche questa vita
sì verrà a mancare
Non mi rimane allora...

La morte, il buio e i fallimenti
si abbattono incessantemente,
continui ostacoli si ammassan
sulla via della realizzazione,
la lotta è aspra contro tutte le paure a cambiare
Non mi rimane allora...

VAGABONDO

Sarò quel vagabondo,
che cantando e lodando
segue sempre solo Te.

Il canto mio nessuno canta,
io canto al cielo, io canto al vento,
a ogni nube io canto.

*Come un re, me ne andrò,
sulla terra vagabondo...,
e cantando e lodando e danzando seguo Te.*

Il dì sotto i rami farò la mia casa,
la notte le stelle come ceri accesi
sull'altar del firmamento.
E chiamerò la Luna a farmi da lume
ad avvolger d'argento la mia dimora,
di cieli senza confini.

*Come un re, me ne andrò,
sulla terra vagabondo...,
e cantando e lodando e danzando seguo Te.*

Il mio nutrimento sarà dono della sorte,
la fonte del monte spegnerà la mia sete
ad ogni cosa rinuncerò.
Come un vecchio ruscello che canta nel prato,
vagherò donando ai boschi la mia gioia,

ad ogni uccello o foglia o fiore.

*Verso lidi lontani senza nulla me ne andrò,
e cantando e lodando e danzando seguo Te.*

Alla sera poi quando mi distenderò,
innalzerò il mio canto vagabondo,
per chiamarTi vicino a me.
Quando la mia anima cercherà il suo riposo,
sognerò di Te che solo mai,
per svegliarmi alla fine in Te.

*Tu ed io allora senza più separazioni
ce ne andremo vagabondi attraverso l'universo,
e cantando e lodando e danzando seguo Te
come raggi di luce attraverso l'universo
ce ne andremo vagabondi attraverso l'universo*

Tu ed io allora come una Cosa Sola!

SOSPIRA PIANO

*Puoi celarti nell'oceano dell'universo,
puoi nasconderti nella danza della vita,
però non puoi sfuggire al mio amore,
poiché alla luce del mio cuore, Ti scoprirò!*

Sospira piano come posso amarTi,
che io apprenda ad amarTi sempre più.
Versa in me della Tua saggezza il vin,
col quale possa alla fine, o mio Gesù,
inebriarmi solo di Te.

Sussurra piano al mio orecchio,
come io possa imitarTi sempre più.
Parla ai miei sensi che si perdono,
per ricondurli alla fin da Te
nel Tuo santuario vivo in ogni cuore

Richiama questa mia mente che vaga,
a ritirarsi sempre in più in Te.
Con gli occhi Tuoi in silenzio guardami,
e scoprirò alla fine o mio Gesù,
dove trovarTi come amarTi.

DANZA MISTICA DI PACE

Pace, pace al mondo, in ogni cuore,
Pace, pace al mondo, in ogni cuore,
Pace, pace al mondo, in ogni cuore,
venga Gesù...
Pace, pace al mondo, in ogni cuore.

Pace, pace al mondo, in ogni cuore,
Pace, pace al mondo, in ogni cuore,
Pace, pace al mondo, in ogni cuore,
venga la Luce...
Pace, pace al mondo, in ogni cuore.

MORIR FU DOLCE

San Giovanni della Croce

E alla fine scoprì il mio amor, il mio diletto
nei monti e verdi valli in fiore, lontane isole...,
e come riposai alla sua fonte ascoltai il canto suo d'amor, che
l'anima mia guarì...

O dolce notte, che col silenzio delle stelle
mi accompagni al volger dell'aurora,
è qui che ti sentii..., fremente di dolcezza,
fu in questa unione che si colmò il mio cuore...

Lì nella stanza alla fine assaporai
il vin dell'estasi, la Tua perenne offerta,
a Te mi abbandonai..., totalmente ed in eterno,
a Te io mi donai, come sposa Tua celeste...

Morir fu dolce, abbandonando tutti i sogni,
scordando il mondo, lasciando ogni cosa,
e in questa notte..., vola l'anima mia,
infine libera per ricongiungersi a Te...

SPIRITI

Carlo Facchini

Come può un cammello
entrare nella cruna di un ago,
come può un normale uomo
camminare su un lago,
come può finire, Lui che è l'Amore.

Come può un agnello trasformarsi in un falco,
dimmi come fa un uccello
per salire sempre più in alto,
senza esitare mai ci crede,
allora volerà per fede .

*Tutti noi siamo spiriti,
strumenti per metà corruttibili,
per oggi noi viviamo nel fisico,
per sempre riceviamo lo Spirito.
Noi siamo spiriti strumenti soprattutto invisibili,
per poco noi viviamo nel fisico,
per sempre riceviamo lo Spirito.*

Come ha fatto Peter Pan a spuntarla su Uncino,
Davide contro Golia era soltanto un bambino,
e forse vincerà anche adesso
se prima vincerà sé stesso.

Cosa deve fare un uomo per svegliarsi dal sonno,
perché non serve passaporto
per rientrare nel mondo.
Nel sonno non si può far niente,
nemmeno dubitare con la mente.

*Ché tutti noi siamo spiriti,
noi siamo nostalgia inesprimibili,
per oggi viviamo nel fisico,
per sempre riceviamo lo Spirito.*

*Noi siamo spiriti,
noi passeggeri inestinguibili,
per oggi siamo viviamo nel mondo fisico,
per sempre riceviamo lo Spirito.*

IL CANTO DELL'ANIMA

Noi siamo onde della Tua pace,
piccole onde della Tua pace,
il mare infinito in una sola goccia,
il mare infinito in una sola goccia.

Noi siamo i fiori della Tua gioia,
timidi fiori della Tua gioia,
il sorriso infinito in un solo cuore,
il sorriso infinito in un solo cuore.

Noi siamo i raggi della Tua luce,
limpidi raggi della Tua luce,
fiamma infinita che rischiara il nuovo mondo,
fiamma infinita che rischiara il nuovo mondo.

...onda infinita che rischiara il nuovo mondo.
... mare infinito in una sola goccia.

UMANITA' UNITA

Pensa per un attimo,
che da sola la forza dell'Amore,
fa girare tutti i cieli
e tiene in vita questo mondo.
Pensa che la stessa vita,
scorre in ogni cuore
e basta un attimo di Luce,
per scoprire tutto li Bene che c'è in noi.

Pensa a quanta gioia,
in una umanità unita,
dove ogni paese,
viva in libertà. Pensa...
Pensa al mondo nuovo, sulla via del Bene,
dove solo pace,
regni tra di noi.

*Pensa pensa al mondo nuovo,
a quanta gioia.*

*Pensa pensa al mondo nuovo,
all'umanità unita.*

*Dove Spirito e Natura,
danzano assieme.*

*Dove Spirito e Natura,

Pensa a quanta pace
finalmente sulla terra,
dove ogni fede
sia vissuta in libertà,
pensa pensa all'uomo nuovo
sulla via Divina,
danza in armonia tutta l'umanità.

*Pensa pensa all'uomo nuovo,
a quanta gioia.*

*Pensa pensa al mondo nuovo,

SALVE REGINA

Salve Regina Mater misericordiae
vita dulcedo et spes nostra, salve.
Ad Te clamamus exules filii Hevae
Ad Te sospiramus gementes et flentes
in hac lacrimarum valle.
Eja ergo, advocata nostra,
illos tuos misericordes oculos

SOLO IL TUO NOME

Con la mia mente immersa nel nome santo di Gesù,
canto col cuore sempre il Tuo Nome,
vieni o Cristo Gesù .

Solo il canto del Tuo nome fuga ogni dolore,
la Tua nave oltre ogni tempesta al porto
sa ritornare.

Il Tuo nome ci dà la gioia e la pace nel cuore,
Tu sei il sostegno di chi cieco vaga
tra l'ombra ed il chiarore

Nel Tuo nome sta il segreto, suono d'immensità,
canto il tuo nome ed in ogni cuore
porto serenità

MARE MADRE

Mare Madre, mare Madre,
come un bimbo sul Tuo seno.
Mare Madre mare Madre,
ascolto il Tuo respiro.
E sento che tutta la forza
dell'universo nasce in Te
quando canti dolcemente io mi perdo.

Mare Madre, mare Madre,
sorgon stelle nei Tuoi occhi.
Mare Madre, mare Madre,
in silenzio ci governi.
Vedo nascere il giorno
alla luce del Tuo volto,
e poi la notte arriva con i suoi sogni.

Mare Madre, mare Madre,
la Tua pace non ha sponde.
Mare Madre, mare Madre,
sei il profumo della notte
che incanta i nostri cuori,
se solo Tu sorridi
salvi il mondo dal buio male
che lo inghiotte.

FONTE DI LUCE

Può questa luce che scende nel mio corpo,
non essere divina...?

*Oh Fonte di Luce,
la pace Tua
si espande in noi
e intorno a noi.*

Può questa gioia che cresce nel mio corpo,
non essere divina...?

Può questa vita concepita nel mio corpo,
non essere divina...?

Amazing Grace, how sweet That sound
To save a wretch like me
I once was lost, but now I'm found
I was blind, but now I see.

That precious day, that Grace appeared
The hour I first believed
It was Grace That taught my heart to fear
and Grace, my Fears relieved.

Through many dangers, toils and snares
I have already come
It's Grace That's brought me safe this far
and Grace will lead me Home!

DOVE TI NASCONDI?

San Giovanni Della Croce

Dove ti nascondi, oh mio diletto?
Come un cervo fuggisti lontano,
dopo avermi ferito nell'anima.
Uscii per chiamarti...,
ma non c'eri già più.

O pastori che andate sui monti,
se per caso incontrate il mio celeste amore,
al Diletto voi dite che soffro,
che languo e che muoio,
che languo e che muoio.

Ho cercato il mio amore sopra i monti,
L'ho cercato tra i prati e nei fiori
e nei boschi ha effuso le grazie Sue,
per guarire il mio Cuore,
ma il mio cuore soffre ancor.

R. Ortolani

Dolce sentire, come nel mio cuore,
ora umilmente sta nascendo Amore.
Dolce capire, che non son più solo,
ma che son parte di una immensa vita,
che generosa risplende intorno a me,
dono di Lui, del Suo immenso Amore,
dono di Lui, del Suo immenso Amore.

Ci ha dato il cielo e le chiare stelle
Fratello sole e Sorella luna.

THIS WORLD IS NOT MY HOME

This World is not my home,
well I'm just passing through.
My treasures are laid up,
somewhere beyond the blue.

The Angels beckon me,
from Heaven's opened door
and I can't feel at Home,
in this world anymore...

Oh Lord, You know,
well I've no friends like You...,
if Heaven is not my home,
then Lord what will I do?

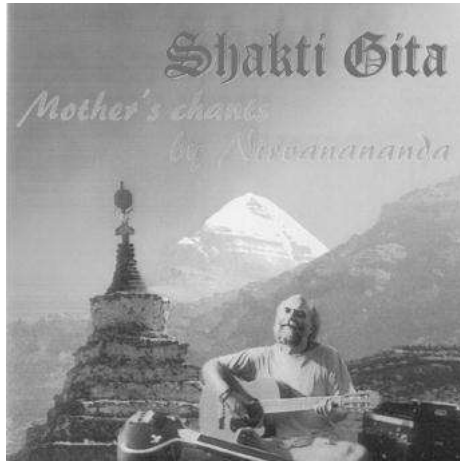

The Angels beckon me
from Heaven's opened door,
and I can't feel at Home,
in this world anymore...

Well I have a loving Mother
Up there in the glory Land
And I won't stop until
I shake Her Hand

She's waiting, now for me,
Up there in Glory Land

And I can't feel at Home,
in this world anymore.

WHERE THERE IS LOVE?

Canto di P. Yogananda

Qui nel mondo, oh Madre
no non c'è amore.
Qui nessuno sa veramente amare.
Dov'è il Tuo vero amore ?
Dove l'eterno è puro Amore ?
Solo lì l'anima mia vuole restare!

In this world, oh Mother no one can love me.
In this world they do not know how to love me.
Where is there pure loving Love ?
Where is there truly loving me ?
There my soul longs to be !

Dov'è odio fa ch'io porti amore
Dov'è offesa ch'io porti il perdono
Dov'è discordia ch'io porti l'unione
Dov'è il dubbio ch'io porti la fede
Dov'è errore che io porti la verità
Dov'è la disperazione che io porti la speranza
Dov'è la tristezza ch'io porti la gioia
Dove son le tenebre ch'io porti la luce
Oh Maestro fa ch'io non cerchi tanto
Ad esser consolato quanto a consolare
Ad essere compreso quanto a comprendere
Ad essere amato quanto ad amare
Poiché si è dando che si riceve
È perdonando che si è perdonati
Ed è morendo che si rinasce a vita eterna

WITHOUT MEDITATION

Canto di P. Yogananda

Senza meditare va la mia mente qua e là...

Oh Adorabile, Oh Adorabile
CercaLo in segreto sì, nel silenzio del tuo cuore
Immerso nell'oceano dell'estasi dall'alto del cielo,
scruta la Tua anima, nel Suo infinito Sé,
e raccogli il nettare, dei Suoi petali ...
Nell'infinito Om, nell'infinito Om,
immergiti e perditi, immergiti e perditi.

*Without meditation, mind,
hither, thither wand'rest thou*

Adorable Him! Adorable Him!
Search Him out in secret now.
Floating on the breeze of bliss
In the chariot of sky,
Peering into His eyes with thy diving eye,
Thousand petals' nectar drink!
Drink and drink, drink!
With cosmic mighty Om, deeper do thou sink.

I have made Thee, Polestar of my life...
I have made Thee, Polestar of my life...
 and when the sea is dark,

And when the sea is dark,

Still I see the path, through Thy mercy...

Io seguo Te, Gesù luce nella notte...
Io seguo Te, Gesù luce nella notte...
 e se il mio mare è nero

ancora cerco Te nelle tua misericordia,
ancora cerco Te nelle tua misericordia.

*SALVE REGINA
L'INFINITO
VORREI*

SALVE REGINA

Salve Regina Mater misericordiae
vita dulcedo et spes nostra, salve.
Ad Te clamamus exules filii Hevae
Ad Te sospiramus gementes et flentes
in hac lacrimarum valle.
Eja ergo, advocata nostra,
illos tuos misericordes oculos
ad nos converte.
Et Jesus, benedictum
fructum ventris Tui,
nobis post hoc exilium ostende.
Oh clemens, o pia, o dulcis
Virgo Maria.

L'INFINITO

G. Leopardi

Sempre caro mi fu quest'ermo colle
e, questa siepe, che da tanta parte
dell'ultimo orizzonte il guardo esclude.
Ma sedendo e mirando, interminati
Spazi di là da quella, e sovrumani
silenzi, e profondissima quiete
io nel pensier mi fingo; ove per poco
il cor non si spaura. E come il vento
odo stormir tra queste piante, io quello
infinito silenzio a questa voce
vo comparando: e mi sovvien l'eterno,
le morti stagioni e la presente
e viva, e il suon di lei. Così tra questa
immensità s'annega il pensier mio:
e il naufragar m'è dolce in questo mare.

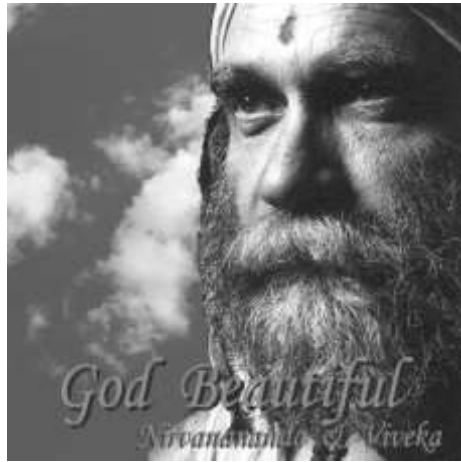

VORREI

Vorrei restar dinnanzi a te
E nel Tuo sguardo sconfinar
Andar oltre il tu ed io
Quell'innocenza ritrovare

Vorrei parlare con mille voci
Quel silenzio che c'è in me
Nella purezza incontrare
Lo Spirito che ci lega a sé

Uscir dal tempo
E qui l'Anima incontrar
Danzando lieve come petali nel vento
Scoprire la luce che ci unisce
In un solo fiore
Quella dolcezza che Dio solo ci sa dare.

IN THE TEMPLE OF SILENCE

In the temple of silence,
in the temple of peace,
I will meet Thee,
I will touch Thee,
I will love Thee.

*And coax Thee
to my altar of peace...
And coax Thee
to my altar of bliss...*

In the temple of samadhi,
in the temple of bliss,
I will meet Thee,
I will touch Thee,
I will love Thee.

OPAL FLAME

If thou wilt see opal flame,
Drive darkness evermore,
Searing thy silence
With the sword of pranayam.

Through the star in opal eye,
See the Christ everywhere,
Sleeping in every atom,
In protons, electrons.

Golden misty aureole
Adorns the opal door;
Through the star in the blue,
Meet the Christ everywhere.

Starry dove with wings of rays
Alights on forehead,
Showing you the throne of Christ
In the peace of every heart.

Make thine eyes a single flame
To see the starry gate;
Thy body will be Light,
Illumining all space.

By wise inspiration,
Follow the starry eye.
To see the Christ born
In thy soul anew.

Starry dove with wings of flame,
Baptize me in thy Light.
Spreading my soul with Christ
In the bliss everywhere.

Shining opening in hall of matter,
O star! I peep through thee
Into the land of astral light
That kindles life in everything.

FROM THIS SLEEP LORD

*From this sleep Lord, will You wake me?
From this dream Lord, will You wake me?*

*In Thee I dive, in Thee I rise,
in Thy sea, in Thee.*

To live forever, in Thee,

*In Thee I'm born, in Thee I die,
to live forever, in Thee,*

in Thy sea, in Thee...

*They have heard Thy name,
The blind, halt, and lame.*
They have come to Thy door, Lord,
They have come to Thy door;
Give them an audience, Lord!
*They have heard Thy Name,
The blind, halt, and lame.*
Those who are in despair,
Wipe Thou their tears!
They have come to Thy door, Lord,
They have come to Thy door;
Give them an audience, Lord.
*They have heard Thy Name,
The blind, halt, and lame*
Those who are drowned in sin,
To whom will they go?
They have no one, Lord,
They have no one;
Do not turn them away.
*They have heard Thy Name,

SULLE RIVE DEL GANGE

Mi fermo ora qua, sulle rive del Gange

Mi siedo finalmente qua,
sulle rive del Gange
In silenzio meditare,
sulla nebbia che sale
A volute lente sale
Sull'acqua pallido il sole,
al rintocco appare

Mi fermo ora qua,
sulle rive del Gange
Mi siedo finalmente qua,
sulle rive del Gange
In silenzio osservare
Come il fiume scorre lento
Inesorabilmente lento.
E trascina collane di fiori
dai monti fino al mare

Mi fermo ora qua,
sulle rive del Gange
Mi siedo finalmente qua
sulle rive del Gange
In silenzio abbandonare
tanti pensieri e sensazioni,
così profonde emozioni
Una barca salpa al tramonto

E tra il fiume e il cielo scompare

Mi fermo ora qua
sulle rive del Gange
Mi siedo finalmente qua
sulle rive del Gange
In silenzio a contemplare
Quel profilo tra le stelle
Come un diadema tra le stelle
Pallida la luna appare
e sul fiume lentamente
inizia a danzare

SE VUOI CHE DIO TI RISPONDA*

SEI TU

(Lodi al Dio Altissimo di Frate Francesco)

Sei Tu, il Signore Santo Dio unico
Sei Tu, forte e grande Sei Tu l'Altissimo
Sei Tu, che compi meraviglie
Sei Tu, il Padre Santo onnipotente
Tu, Re del cielo e della terra
Tu, Signore degli dei, trino ed uno, TU...
Sei Tu, il Bene, tutto il sommo Bene sei
Sei Tu, Amore, Carità e Sapienza
Sei Tu, il Signore vivo e vero
Sei Tu, l'umiltà e la pazienza
Tu, gaudio nostro e speranza
Tu, quiete, gioia e letizia, TU...
Sei Tu, ricchezza nella necessità
Sei Tu, giustizia, temperanza e verità
Sei Tu, bellezza e mansuetudine
Sei Tu, difensore e protettore
Tu, la nostra sola sicurezza
Tu, fortezza e refrigerio, TU...
Sei Tu, speranza, fede e carità
Sei Tu, tutta la dolcezza
Sei Tu, la vita eterna nostra
Sei Tu, grande ed ammirabile
Tu, Signore onnipotente,
Tu, misericordioso Salvatore, TU...

SI SCHIUDE IL CUORE MIO

Oh Gesù, si schiude il cuore mio in Te
Ed allor, Ti stringo forte e piano a me
Oh Gesù, mi chiudo nel silenzio che c'è in Te
Già tutto l'universo è in me, oh Gesù
Oh Gesù, sei il dono più prezioso che
Scopro in me, la pace Tua è il nettare
Oh Gesù, è solo il Tuo amore che sento in me
Io non respiro senza Te, oh Gesù
È Gesù, che guardo e mi sorride in te
Già lo so, mi ascolta e capisce che
È Gesù, mi stringe tra le braccia a Sé
È così, perché Gesù è ora in te, oh Gesù

LE BEATITUDINI

(Mt.5-div.)

Dio, Cristo, Amen

Lì, dov'è il tuo tesoro, lì,

sarà anche il tuo cuore

Guarda gli uccelli del cielo,

non seminano né mietono

Eppure Iddio li nutre,

non sarai tu da meno

Dio, Cristo, Luce

Se il tuo occhio è chiaro,

tutto il tuo corpo sarà luce

Guarda i gigli del campo,

non lavorano né filano

Eppure Iddio li riveste,

con tutta la Sua gloria

Dio, Cristo, Pace

Cerca prima il regno di Dio,

con la sua giustizia

Poi tutto ti sarà dato, donato in più

Cerca e troverai, chiedi e ti sarà dato

Bussa e ti sarà aperto,

domanda e riceverai

Dio, Cristo, Fede

Quello che vuoi ti sia fatto,

fallo tu prima agli altri

Chi ascolta le mie parole,

vive come un saggio
Chi attua le mie parole,
costruisce sulla roccia
Dio, Cristo, Amore
E ancora: ama i tuoi nemici
e fa' del bene a chi ti odia
Benedici chi ti maledice
e prega per chi ti fa del male
Porgi sempre l'altra guancia
e dona anche il tuo mantello
Fa' del bene senza mai sperar nulla
E sii misericordioso con tutti
Dio, Cristo, Gioia
Tu sei il sale della terra,
ma a che servi se non hai sapore?
Tu sei la luce del mondo,
non puoi rimaner nascosto
Sei proprio tu la luce del mondo,
risplendi dinnanzi a tutti
Sei tu la luce del mondo, rendi gloria a Dio
Dio, Cristo, Guru - Dio, Cristo, Amen

LA PREGHIERA SEMPLICE

(S. Francesco)

Dov'è odio, fa' che io porti amore
Dov'è offesa, ch'io porti il perdono
Dov'è discordia, ch'io porti l'unione
Dov'è il dubbio, ch'io porti la fede
Dov'è errore, ch'io porti la verità
Dov'è la disperazione, ch'io porti la speranza
Dov'è la tristezza, ch'io porti la gioia,
Dove son le tenebre, ch'io porti la Tua luce
Oh Maestro, fa' che io non cerchi tanto
Ad esser consolato, quanto a consolare
Ad essere compreso, quanto a comprendere
Ad essere amato, quanto ad amare
Poiché si è dando che si riceve
E' perdonando, che si è perdonati
Ed è morendo che si rinasce a vita eterna
Oh Signore, fa' di me
uno strumento della Tua pace

Pace, pace al mondo,
in ogni cuore venga Gesù
Pace, pace al mondo in ogni cuore

May peace come to the earth,
in ev'ry soul may Jesus come
May peace come to the earth, in ev'ry soul

Frieden komme auf Erden,
in alle Herzen
Komm, Jesus komm.
Frieden komme auf Erden in alle Herzen
Paz, paz al mundo,
en los corazones venga Jesus
Paz, paz al mundo en los corazones

FERMATI CON ME

Fermati con me, oh mio Signore
Per un momento rimani con me
Ho decorato tutta la mia stanza
Colma di fiori, di tenui colori
Siediti con me, oh mio Signore
All'ombra un momento riposa con me
Ho seminato tutto il mio giardino
Di erbe e di fiori, preziosi odori
Fermati con me, oh mio Signore
Per un momento, il fuoco è acceso già
Il desco è preparato, so che il Tuo cibo preferito
E' intinto di umiltà, di semplicità
Stenditi con me, oh mio Signore
Per un momento, ascolta con me
Mentre il giorno muore, questo lieve canto
Di chi aspetta Te, sogna solo Te
Osserva qui con me, oh mio Signore
Chiudi gli occhi un momento
Contempla con me, come il buio avvolga
Tutti questi cuori
Solo fioche stelle parlano ancor di Te
Sogna qui con me, oh mio Signore
Come la Tua pace si desti in noi
Rinasca l'innocenza e cresca la purezza
In mezzo ai fiori sbocci la Fede

Oh Gesù, oh Gesù

JESULEIN

Nel silenzio della notte, oh Gesù fatti coccoliar
Dalle onde del mio canto lentamente fatti portar
Addormentati, oh Dolce tra le coltri del mio cuor
Chiudi gli occhi,
oh Gesù, nel mio cuor sei sempre più
Già la luna si alza a giocare coi riccioli tuoi
Poi le stelle si accendono nel ciel degli occhi tuoi
Nel tepor delle mie braccia,
oh Gesù mio fatti cullar
La tua pace si espande in me fino ad abbracciar
Tutto il mondo ora è qui Te in silenzio ad ammirar
Jesulein, schlaf bald ein,
schliess die Aeuglein, ruhe fein
Lass dich kuscheln, lass dich wiegen
In den Armen meiner Liebe
Lass dich tragen vom Klang meines Friedensgesangs
In meinem Herzen, oh Jesulein
wirst du immer bei mir sein
Schon erhebt sich der Mond
und spielt mit deinem Haar
Viele Sterne beleuchten den Himmel
in deinem Blick
Lass dich wiegen in meinen Armen
Oh Jesulein, so zart und fein
Bis dein Frieden sich ausbreitet in mir
und im ganzen All
In der stille dieser Nacht jeder
staunt und schaut Dich an

SE VUOI CHE DIO TI RISPONDA

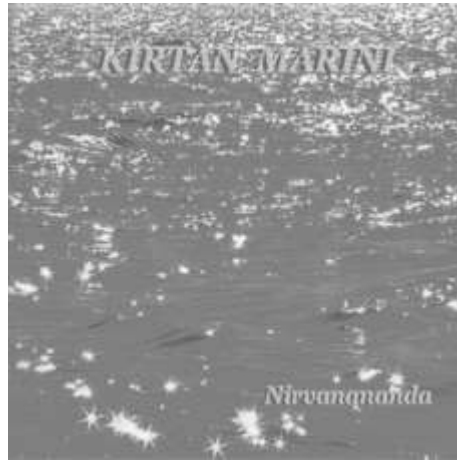

Se vuoi che Iddio ti risponda
Che Lui ti risponda oppure no,
continua a chiamarLo
Ad invocarLo senza posa
Con le tue più intense preghiere
Se vuoi che Iddio ti risponda
Che Lui venga oppure no, confida che sempre più
Egli si avvicini a te ad ogni palpito del tuo cuore
E nel mezzo della danza della vita e della morte
Se continuerai a chiamarLo senza farti sfiduciar
Dal Suo silenzio, sappi che per Lui
è solo un gioco

Oh Gesù mio vieni accanto a me
Accanto a me, più accanto a me

Se vuoi che Iddio ti risponda
Che Lui ti parli oppure no,
non stancarti d'implorarLo,
D'invocarLo se la risposta ,
non è poi quella che aspetti
Se vuoi che Iddio ti risponda
Che Lui appaia oppure no,
non dubitare che velatamente
Si rivolgerà a te nel buio
delle Tue più assidue preghiere
E nel mezzo della danza della vita e della morte

Se continuerai a chiamarLo senza farti sfiduciar
Dal Suo silenzio, sappi che per Lui è solo un gioco
Oh Gesù mio vieni accanto a me
Accanto a me, più accanto a me

Wake, wake, wake, my soul wake
From this sleep that did catch you
So long, long, long, my soul awake
From this dream of yours,
Since it has come, come, come,
A strong wind that will blow through your wings
While you'll fly, fly, fly to the dawn
Of the Spirit in you
Fly, fly, fly, my soul fly
Wake, wake, wake, my soul wake

Su, su, su, destati anima
Mia dal sonno profondo
Dove a lungo, lungo, lungo,
Hai già dormito, poiché l'ora arriva
E se viene, viene, viene,
quel forte vento, che le ali tue gonfia
finché voli, voli, voli, verso l'aurora
dello Spirito in te
Vola, vola, vola, anima mia
Veglia, veglia, veglia, anima mia

Auf, wach auf, meine Seele
Endlich wach auf
Denn schon lang, lang, lang
War der Schlaf
Der dich gefangen hielt

Es kommt bald, bald, bald,
Ein starker Wind, der die Fluegel
Dir erhebt bis du
Fliegst, fliegst, fliegst
Zur Morgenroete des Geistes in dir
Flieg, flieg, flieg, meine Seele

L'Eterno Onnipotente
Lontano ed oltre qualità e pensiero
Oh mio Dio, io m'inchino a Te

Full of bliss givin' joy transcendent
Of higher knowledge the abode
Dual no more, clear as the heavens
Known to all as "Thou art that"
He is pure, permanent, unmoving
The everlasting seer of all
Far, far beyond qualities and Thought
Guru Lord I bow to Thee

Er ist Segen Quelle hoechster Freude
Die Weisheit selbst, das Licht der Welt
Noch ungeteilt, leuchtend wie die Himmel
Von Ihm sagt man: Du bist Das
Er ist ewig, rein und unveraendert
Nimmt alles wahr in Ewigkeit, unvorstellbar
Frei von Eigenschaften, oh mein Gott
Vor Dir neig' ich mich

DIVINE GYPSY

I will be a gypsy, I will be a gypsy
Roam, roam and roam
I'll sing a song that none has sung
I'll sing to the sky, I'll sing to the wind
I'll will sing to my red cloud
I'll roam, roam and roam
I'll roam, roam with OM
I'll be the king of the land
Through which I roam

I WILL BE THINE ALWAYS

Ma io sarò per sempre Tuo
Se me ne andrò più lontano delle stelle
Ma io sarò per sempre tuo
Oh mio Dio, sarò per sempre Tuo
In molti cercano, ma chi continuerà?
Ma io sarò per sempre Tuo
Oh mio Dio, io sarò per sempre Tuo
E quando muoio guardami negli occhi
Che dicono, dicono muti
Ma io sarò per sempre Tuo
Oh mio Dio sarò per sempre Tuo

I may go far, farther than the stars
But I will be Thine always
My Lord I will be Thine always
Devotees may come, devotees may go
But I will be Thine always
My Lord I will be Thine always
When I die, look into mine eyes
They will mutely say
I will be Thine always
My Lord, I will be Thine always

DIVINE MOTHER'S SONG

Oh figlio mio io ti posso salvare
Ma l'anima mia non ti posso dare
Se tutto l'amore donassi a te
Che rimarrebbe di questo Sé
Racchiuso nel tuo piccolo cuore

O devotee I can give Thee salvation
But not my love and devotion
For when I give those away
I give myself away
But not my love and devotion
For indeed, then when I give those Away,
I become poor
Enclosed in your heart's way

THOUSANDS OF SUN

Chi dice che sei oscura
Divina Madre mia?
Mille soli, stelle e lune
Nel Tuo seno splendono

Who tells me Thou art dark
O my Mother Divine?
Thousands of suns and moons
From Thy body do shine
Kaun kahata Tujhe sanwali
He Man Jagadambe
Lakhon ravi chandra Teri
Kaya se hain chamakte

THEY' VE HEARD THY NAME

Hanno udito il Tuo nome
Gli zoppi, i ciechi e i deboli
Chi si è perso nel buio, dove andrà?
Han' bussato alla Tua porta
Oh Signore, accogli in Te
Hanno udito il Tuo nome
Gli zoppi, i ciechi e i deboli
A chi è colpito nel cuore
Asciugane il pianto
Han' bussato alla Tua porta
Oh Signore, accogli in Te

They have heard Thy Name
The blind, halt and lame
Those who are in despair
Wipe Thou their tears
They have come to Thy door Lord
They have come to Thy door

Give them an audience Lord
They have heard Thy Name
Those who are drowned in sin
To whom will they go?

Sie hoeren Deinen Namen
Die Blinden, Schwachen, Lahmen
Sie hoeren Deinen Namen

Die Blinden, Schwachen, Lahmen
Denen die verzweifelt sind
Trockne Du die Traenen
Sie kommen vor Deine Tuer Herr
Lass sie ein, lass sie ein oh Herr
Sie hoeren deinen Namen
Die Blinden, Schwachen, Lahmen
Die in Suende tief verstrickt
Zu wem sollen sie gehen?
Sie haben niemand Herr
Sie haben niemand
Weise sie, weise sie nicht ab!

I'M THE SKY

I am the sky, Mother, I am the sky
I am the vast blue ocean of sky
I am a little drop of the sky
Frozen sky
Io sono il cielo Madre
Io sono il cielo
Sono il vasto oceano del cielo
Son la piccola goccia di cielo

O GOD BEAUTIFUL

Oh Dio magnifico oh Dio magnifico
Io m'inchino ai piedi Tuoi
Oh Dio magnifico oh Dio magnifico
Nei boschi e nei prati Tu sei verde
Nelle montagne più alte Tu sei la cima
E nell'impeto del fiume sei la Corrente
Nella profondità del mare sei la Pace
Oh Dio magnifico oh Dio magnifico
Io m'inchino ai piedi Tuoi

Oh Dio magnifico oh Dio magnifico
Per chi soccorre Tu sei l'aiuto

Nel cuore di chi ama sei l'Amore
E per chi piange sei simpatia
Per il devoto sei l'eterna gioia
Oh Dio Magnifico oh Dio magnifico
Io m'inchino a Te
Oh Dio magnifico oh Dio magnifico

O God beautiful! O God beautiful
At Thy feet, o I do bow
O God beautiful! O God beautiful

In the forest Thou art green
In the mountain Thou art high
In the river Thou art restless
In the ocean Thou art grave
O God beautiful! O God beautiful
At Thy feet I do bow
O God beautiful! O God beautiful

To the servicefull Thou art service
To the lover Thou art Love
To the sorrowful Thou art sympathy
and to the Yogi Thou art bliss
O God beautiful! O God beautiful
At Thy feet I do Bow
O God beautiful! O God beautiful

OPAL STAR – 2004/3

*IN THE LORD
STELLA OPALE
OM NAMAH KRISTAYA
CERCANDO IL FIUME*

IN THE LORD

Oh mio Signore sei Tu la mia forza
La mia speranza vive in Te
Cristo nostro Salvator
In Te confido, non ho timor

Meine Hoffnung und meine Staerke
Meine Freude und mein Licht
Christus meine Zuversicht
Auf Dich vertraue ich
Und fuerchte mich nicht

O ma joie et mon espérance
Le Seigneur est mon chant
C'est de Lui qui vient le pardon
En Lui j'espère, je n'ai pas peur

In the Lord I'll always be thankful
In the Lord I will rejoice
Look to God, don't be afraid
Lift up your voices, the Lord is near

STELLA OPALE

Quella fiamma di luce blu
che si accende nella notte
Fendendo la tua coscienza
con la lama del silenzio

E attraverso la Stella Opale
vedi il Cristo in ogni cosa
Quando dorme ancor negli atomi,
nei protoni ed elettroni

Nell'aureola dorata
che adorna la Porta Opale
Attraverso quella Stella
incontra il Cristo nel blu infinito
Come raggi dalla fronte
quella Stella spiega l'ali
Per mostrarti il Cristo assiso
nella pace di ogni cuore
Se dagli occhi tuoi una fiamma
della Stella accende il varco
Allora tutto il corpo tuo
darà luce allo spazio

Con profonda ispirazione
segui l'occhio della Stella
per vedere il Cristo rinato
nella tua anima ancora

Oh colomba fiammeggiante
battezzami nella Tua luce
E con Cristo nell'infinito
si espande l'anima mia beata

Oh Tu che brilli nella notte,
dolce Stella guardo in Te
Per veder la luce astrale
che dà vita al mondo intero
Per veder Cristo rinato
nella tua anima ancora

Sieh, der blaue Flammenschein
Vertreibt die Dunkelheit
Durchdringt dein Schweigen
Mit dem Schwert des Pranayam

Durch den Stern im blauen Licht
Siehst du Christus ueberall
Er schlaeft in den Atomen,
im Proton, im Elektron

Wunderbarer goldner Schein
umkraenzt das blaue Tor
Durch den Stern im Blau
Fuehrt der Weg zu Christus hin

Sternentaube im Strahlenglanz
Zur Stirn sich niedersenkt
Im Frieden aller Herzen
offenbart Sie Christi Thron

Und zur Flamme wird Dein Blick
Durchdringt das Sternentor
Dein Koerper wird zu Licht
Und erhellt den weiten Raum

Inspiriert durch Innenschau
folge du dem Sternenaug
Dann erscheint in deiner Seele
Christus wieder neugeboren

Sternentaube im Flammenschein
Taufe mich in Deinem Licht
Meine Seele zieht mit Christus
in die ewige Seligkeit

Sternentor im Erdental
oeffnet weit sich meinem Blick
Ich schau in's alstrale Licht
Wo alles Leben neu erwacht

OM NAMAH KRISTAYA

OM Namo Namah
OM Namah Kristaya

Ich verneige mich
Vor Dir Licht des Lebens
Vor Dir neig'ich mich
Christus Licht der Ewigkeit

Io m'inchino a Te
Luce della Vita
Io m'inchino a Te
Cristo Luce eterna

I bow down to You
Light of Life eternal
I bow down to You
Christ eternal Light of Life

CERCANDO IL FIUME

Cercando il fiume corre la cerva
Così il mio cuore anela a Te
É assetata l'anima mia di Te
Quando potrà specchiarsi in Te?

Per lunghe notti e dì ho solo pianto
Mi hai scordato oh mio Signore?
Fai appassire così il mio cuor
Che senso ha una vita senza Te?

E quel tormento mi strugge ancora
Finchè la speranza rinasce in me
Con canti e lodi esulta il mio cuor
Sei Tu la pace, il mio vero Amor

As the heart longs for flowing streams
So longs my soul for Thee o God
My soul does thirst for the living God
When shall I come to see Thy face?

My tears have fed me day and night
While men have said: Where is your God?
But I recall as my soul pours dry
The days of praise within your house

Why do I moan and toil within?
When it's mine to hope in God

I shall again sing praise to Him
He is my help, He is my God

THERE'S A SWEET

There's a sweet sweet Spirit
In this place
And I know that
It's your Spirit dear Lord
There are sweet expressions
On each face
And I know that
It's your presence dear Lord

Sweet Holy Spirit
Sweet heavenly dove
Stay right here with us
Filling us with your love
And for these blessings
We lift our hearts in praise
Without a doubt we'll know
That we have been revived
When we shall leave this place

FAIR LORD JESUS

Fairest Lord Jesus Ruler of all Nature
O Thou of God and man the Son
Thee will I cherish
Thee will I honor
Thou my soul's glory, joy and crown
Fair are the meadows
Fairer still the woodlands
Robed in the blooming garb of spring
Jesus is fairer, Jesus is purer
Who makes the woeful heart to sing
Fair is the sunshine
Fairer still the moonlight
And all the twinkling starry host
Jesus shines brighter, Jesus shines purer
Then all the angels Heaven can boast
Beautiful Savior! Lord of all nations
Son of God and son of Man
Glory and honor, praise, adoration
Now and forever more be Thine. Amen

HOW I LOVE YOU MA

There is a need for silence
There is a need to be alone
There is a separation tugging at my heart
How long dear Mother have we been apart?
You've waited a long time for me here
And all I can offer is my hope and fear
But You lift me to Your shining face
And I am reborn by Your Divine Grace
How I've missed You Mother
You hold my soul
How I've missed You Mother
Make me whole
How I love You Mother
You are here
How I love You Mother
draw me near

May all I see reveal Thy light
And I'll whisper Your name every night
May each and every soul I meet
Be touched by your Love
And made complete
May all my thoughts worship You
May all the words I speak be truth
And may I be anchored to Your Feet
There's no other place that I want to be
Your Name is my Joy

Your Name is Peace
Your Name is Infinite
Love and Mercy
Your Name is the Ocean I see
Your Name is the Tide cooling my feet
Your Name is in my heart
I pray, singing to me
Anandamayee Maa Jai Maa

MORNING STAR

Morning Star so radiant and holy
Shine on me in my great hour of need
Jesus Christ so beautiful and lovely
Shine over me

SACRAMENTO

Sacrifices, sacraments of life
And living there's the altar
Where religiously I pray
Whispered softly is my prayer
Unto the Heaven
Eternally my votive life will stay
Sacrificios, sacramento del la vida
Religioso es l'amor un eterno altar
Mi plegaria de rodia serà esta:
Que por siempre encendiera nuestro amar
Bendecido sera siempre aquel momento
Cuando yo a ti te conosi
Like a blessing I still treasure
The first moment the sacramental life
Brought you to me

Sacrificio, sacramento della vita
Religioso dell'amore è eterno altar
In ginocchio la mia preghiera
È sempre questa: che per sempre
Il nostro amore accenderà

SEEK YOU FIRST

Seek you first the Kingdom of God
And His righteousness
And all these things
Shall be added unto you
Singing Alleluja

Ask and it shall be given unto you
Seek and you shall find
Knock and the door
Shall be open unto you
Singing Alleluja

ABBA FATHER

The sound of my call
Hear o Lord
And have mercy
My soul is longing
For the glory of Thee
Hear o Lord
And answer me

AS THE HEART LONGS

As the heart longs

So longs my soul
For You o God

IM TEMPEL

Im Tempel des Schweigens
Im Tempel des Friedens
Im Tempel der Liebe
Im Tempel der Freude
Da suche ich Dich
Da rufe ich Dich
Da liebe ich Dich
Und halt' Dich immer fest
In meinem Herzen

Nel mio tempio di pace
Nel mio tempio di gioia
Nel mio tempio di silenzio
Nel mio tempio d'amore
Ti cerco...Ti chiamo...Ti amo
Ti stringo sempre forte
Nel mio cuore

ICH BIN DER HIMMEL

Ich bin der Himmel Mutter
Der blaue Himmel
Ich bin das blaue Himmelsmeer
Troepflein im Himmelsmeer

Io sono il cielo Madre
Io sono il cielo
L'infinito oceano del ciel
Una goccia piccola di ciel
Goccia di cielo

MEHR UND MEHR

Oh Signore aiutaci
Ad amarTi sempre più

O Lord do help us
To love Thee more and more

O Herr hilf uns
Dich zu lieben mehr und mehr

Oh Signore aiutaci
Ad amarci sempre più

O Lord do help us to love
Each other more and more

O Herr hilf uns
Uns zu lieben mehr und mehr

ICH VERTRAUE DIR

Gesù, Gesù, io confido in Te
Gesù, Gesù, mi abbandono a Te

Jesus, Jesus, I trust in You
Jesus, Jesus, I surrender to You

Jesus, Jesus, ich vertraue Dir
Jesus, Jesus, ich gebe mich
Dir ganz hin

Alleluja, Alleluja

Gesù, Gesù, io m'inchino a Te

DEIN EIGEN SEIN

Bin ich auch fern
Ferner als ein Stern
So will ich doch dein eigen sein
O mein Herr, auf ewig
Dein eigen sein

Viele suchen Dich und viele
verlassen Dich
Doch ich will stets dein eigen sein
O mein Herr, auf ewig
Dein eigen sein

Sterbe ich in Dir, schau
In die Augen mir
Lautlos sagen sie: ich will
Dein eigen sein

Se me ne andrò
Più lontano delle stelle
Ma io, io sarò per sempre tuo
Oh mio Dio, io sarò
Per sempre tuo
In molti cercano,
Ma chi continuerà
Ma io sarò, sarò per sempre tuo
Oh mio Dio, io sarò
per sempre tuo

E quando muoio guardami
Negli occhi
Che dicon, dicon muti:
Sempre tuo
Oh mio Dio, io sarò
Per sempre tuo

AUS DIESEM TRAUM

Aus diesem Schlaf, oh Herr
Willst Du mich erwecken?
Aus diesem Traum oh Herr
Willst du mich erwecken?
Verliere ich mich in Dir
Finde ich mich auch in Dir
In Deinem tiefen Meer, in Dir
In Deiner tiefen Liebe, in Dir

Sterbe ich in Dir
Bin geboren in Dir
In Deinem tiefen Frieden, in Dir
In deiner tiefen Freude, in Dir

Da questo sonno Madre
Vuoi svegliarmi
Da questo sogno Madre
Vuoi svegliarmi
In Te mi perdo
In Te mi ritrovo
Nella Tua Pace infinita, in Te
Nella Tua Luce infinita, in Te
Nel Tuo Amore infinito, in Te
Nella Tua gioia infinita, in Te
In Te io muoio, in Te risorgo
Nella Tua Pace infinita, in Te
Nella Tua Luce infinita, in Te

Nel Tuo Amore infinito, in Te
Nella Tua gioia infinita, in Te

ZU JESU FUESSEN

Wenn ich mich denke
Fuer einen Augenblick
zu Jesu Fuessen neige ich
Mich demutsvoll
Er nur fuehrt mich sicher
Ueber's Meer der Taeuschung
Im reinen Herzen Jesu
Jenseits der Welt der Sinne
Christus Ebenbild Gottes
Erloese uns von der Versuchung

Pensati solo per un momento
Ai piedi di Gesù
Se vuoi attraversar l'oceano
Dell'illusione
Nel puro cuore di Gesù
Oltre ogni dualità
Oh Cristo immagine di Dio
Liberaci da ogni tentazione

DANKE JESUS

Grazie Gesù Grazie Gesù

Thank you Jesus, thank you Jesus

Danke Jesus, danke Jesus

Gracias Jesus, gracias Jesus

Merci Jesus, merci Jesus

MEINE SEELE RUFT

Mutter, meine Seele ruft
Ruft nach Dir
Verbergen kannst Du dich
Nicht mehr
Mutter, komm aus
Deinem Himmelszelt
Komm aus Deiner Bergeswelt
Komm aus meiner tiefsten Seele
Mutter, komm aus
Meines Schweigens Hoehle

Madre, io Ti chiamo
Con tutta l'anima
Nel silenzio più non puoi restar
Madre, sorti dal silente cielo
Sorti fuor dalla Tua valle
Esci dall'anima mia segreta
Madre, dalla casa del silenzio

Madre...

VERSUNKEN MUTTER

Engrossed is the bee of my mind
In the blue lotus feet of
My Divine Mother
Divine Mother o my Divine Mother

Versunken Mutter ruht
Mein Geist
Vor Deinen blauen Lotosfuessen
Goettliche Mutter,
Meine Goettliche Mutter

Assorta è l'ape della mente mia
Nei petali del fiore della mia
Divina Madre
Divina Madre, oh mia
Divina Madre

ER IST SEGEN

Er ist Segen
Quelle hoechster Freude
Die Weisheit selbst
Das Licht der Welt
Noch ungeteilt
Leuchtend wie die Himmel
Von Ihm sagt man:
Vater-Mutter bist Du

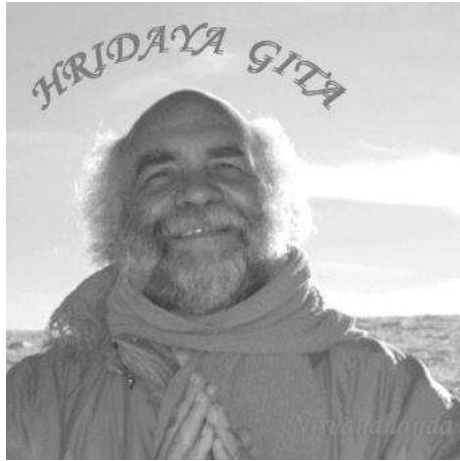

Er ist ewig
Rein und unveraendert
Nimmt alles wahr in Ewigkeit
Unvorstellbar
Frei von Eigenschaften
Vor Dir neig' ich mich, oh Herr

Gioia sei, beata, sublime
Suprema saggezza
Senza dualità
Chiaro come i cieli
Noto a tutti
Padre e Madre Tu sei

Puro sei
Permanente. Immoto
L'eterno onnipotente
Lontano ed oltre

Qualità e pensiero
Oh mio Dio
Io m'inchino a Te

Sleep little Shiva dream so sweet
O Bolo Shiva with golden dreams
In your holy abode, on Mount Kailash
Sleep little Shiva dream so sweet
O Bolo Shiva with golden dreams
The river Ganga flows at Thy feet
Rest in my arms, rest in heart

Sleep little Shiva dream so sweet
The silver moon rises from your hair
O Bolo Shiva with golden dreams
Sleep little Shiva dream so sweet
O Bolo Shiva with golden dreams
The holy cobra sleeps on your neck
Rest in my lap, rest in my soul

Mio piccolo Shiva addormentati
Oh Bolo Shiva fa' sogni d'or
Sul sacro monte, il tuo Kailash
Mio piccolo Shiva addormentati
Oh Bolo Shiva fa' sogni d'or
Il fiume Gange scorre ai tuoi pie'
Riposati tra le mie braccia
Riposati sul mio cuore

Mio piccolo Shiva addormentati
Oh Bolo Shiva fa' sogni d'or

Già sorge la luna nei riccioli tuoi
Mio piccolo Shiva addormentati
Oh Bolo Shiva fa' sogni d'or
Riposa il cobra sul collo tuo
Riposati sul mio seno
Riposati sulla mia anima

Schlaf kleiner Shiva träume so süß

Auf deinem heiligen Berg Kailash
Schlaf kleiner Shiva träume so süß
O Bolo Shiva hab einen Goldenen Traum
Die Ganga fließt bei deinem Fuß
Ruhe in meinen Armen

I come seeking your presence
Dear Padre I've lost my Faith
My way to you
Beneath is the sun
It's my soul, my heart
They long only for you
I see your face on every cross
Giving yourself, giving me Love
You suffered for me
So that I may see
The love and peace of the Christ
I walk to the church of the hill
Down to your tomb
To hear your voice so still

La tua anima è qui e qui resterà da me
Amata per sempre con te io sarò per sempre

Your soul is here and here I will stay
To be loved by me forever
I am with you always. Forever, forever and ever

ON THE BANKS BY THE GANGES

As I stop now on the banks by the Ganges
As I finally sit here now
On the banks by the Ganges
To meditate in silence
On the morning mist arising
Slowly wafting mist arising
As the tone is sounding on waters
A pale sun appears

As I stop now on the banks by the Ganges
As I finally sit here now
On the banks by the Ganges
To watch in silence
As the river flows slowly
Relentlessly slowly
Dragging garlands of flowers
Down the mountain to the sea

As I stop now on the banks by the Ganges
As I finally sit here now
On the banks by the Ganges
To leave behind in silence
So many thoughts and sensations
All those deep emotions
A boat adrift in at sunset
Gone between sky and river

As I stop now on the banks by the Ganges
As I finally sit here now
On the banks by the Ganges
To contemplate in silence
A profile among the stars
Like a diadem among the stars
The shimmering moon appears
Slowly dancing on the river

I LOVE YOU INDIA

P.Yogananda

I love you my dear India
You're the sweetest land of all
I love you in the Winter
Summer, Spring and in the Fall
I love your fertile valleys
Your dear Ganges I adore
I love your Indian Ocean
And I love her rugged shore

Where the snow-crowned golden Himalayas
Keep their watch where the sages bloom
It is there I would be
In the land of the free

Every breeze bearing God's perfume
It is there India gives of her rarest
It is home sweet home for all
And I know when I die
In joy I will sigh
For my sunny, grand old India

THERE'S A RIVER

SONG OF INDIA

Her hidden gems are rich beyond all dreaming
From hidden mountain caves Thy light is streaming
O wondrous land...o land of India

And still the snowy Himalayas rise
In tranquil majesty before our eyes
Beyond the planes...above the pines
While through this ever, never-changing land
As silently as any Sadhu band
That moves at night...the Ganges shines

There we'll hear the song
That only India can sing
Softer than the plumage
On Garudadeva's wings

High upon a minaret I stand
And gaze across the desert sand
Upon an old enchanted land

There's a Maharaja's caravan
Unfolding like a painted fan
How small the little race of man

See them all parade across the ages
Armies, kings and saints from history's pages
Played on one of nature's vastest stages

The lonely plains fly off to greet the dawn
While down below the busy life goes on
And women crowd the old bazaars

Where turbaned Sikhs and beggars line the streets
And holy men in silently calm retreats
Pray through the night and watch the stars

All are in the song that only India can sing
India, the jewel of the East

How the Light shone from the Master
How the Light shone from the Master
How the Light shone from the Master's eyes

How the Truth shone from the Master
How the Truth shone from the Master
How the Truth shone from the Master's eyes

Why did they leave us to wander
Through endless Summers
Why did they leave us to wander
When there was no other

And my questions all were answered
When the Love shone from the Master

BREATH IN ME

You may hide behind the ocean of delusion
You may hide behind the dualities of life
But You cannot hide behind my love
For in the mirroring light of my love
You are revealed

Breath in me the way to love You
That I may learn to faultlessly love You
Pour In me Thy wisdom wine
By which I will become o my Lord
Intoxicated with Thee

Whisper into my ears of silence
The way to be, always be with You
Speak to my wandering senses o my Lord
And lead them back to Your Sanctuary within
To Your Sanctuary right within

Call the marauding mind and counsel it
How to retrace its steps back to your Home
With Your silent eyes just look at me
And I will know the way to find You Lord
And I will know where to find You Lord

DIVINE GYPSY

I will be a gypsy I will be a gypsy
And I roam and I roam
And I roam around with OM
I will sing a song that none has sung
I will sing to the sky I will sing to the wind
I will sing to my red cloud
King of the lands through which I will roam
And I roam...

By the day the shady trees will be my tent
At night the stars will be my candles
Twinkling in the firmament
And I will call the moon
To be my lamp
To light my silver skye camp
I will be thy gypsy
King of the lands through which I will roam
And I roam...

And I will eat the food that chance may bring
I will drink from crystal sparkling spring
I will doff my cap and off will go
Like a wayward brook of long ago
I will roll over the green
To scatter the joy of my heart
To hills, leaves and then depart
To stranger and stranger lands

From East to West
And I roam---

And when at night I lay me down to rest
I will sing to Thee my gypsy prayer
And find Thee always everywhere
But when this time my soul's to rest
I will dream of Thee whom I love best
And wake from many a life time's dreams
Then Thou and I as One
shall gypsy everywhere
And I roam...

LOVE DIVINE

Since the day I first met you
My soul has been entwined
With Your Love that knows no end Your Love Divine

SONG OF A GOPI

The birds are singing in Your eyes today
Sweet flowers blossom in Your smile
The wind and sun
Are in the words You say
Where might my most Beloved be?
Birds may be singing
In Your eyes this day
Sweet flowers blossom when You smile
But my soul is stormy
And my soul blows wild
My most Beloved's
Far away from me

Come Krishna come to me
Sweet flowers I offer at Your feet
Come Krishna come to me
My most Beloved come to me

Grant us the knowledge from above, concerning the hidden
wisdom of music.

Grant us all these things

The Makaloa mat has been unfurled. In love food was shared

The great breath has been exchanged the lehua honors and
adorns from zenith to horizon

Gratitude and thanks to the gods

Gratitude and thanks to our beloved ancestors. Gratitude,
admiration, thanks and love to all who are present, both seen

LEAD ME TO YOU

If I take the wings of the morning
If I dwell in the furthest
parts of the sea
Even there your hand will lead me
Even there you will hold me

O Maa you know my heart

Lead me to your way everlasting
Lead me to you

When the darkness covers me
When the night surrounds me
Even then the night will shine
with your light
What is night? The night to Thee?

O Maa you know my heart
O Maa you know my thoughts
Lead me to your way everlasting
Lead me to you

In the mother's womb

In this world your beauty

How could I ever

In your presence make me

AMAZING GRACE

Amazing Grace,
how sweet the sound
That sav'd a wretch like me
I once was lost, but now am found
Was blind, but now I see

'twas Grace that taught
my heart to fear
And Grace my fears releiv'd
How precious did
that Grace appear
The hour I first believ'd

Thro' many dangers,
toils and snares
I have already come
This Grace has brought me
safe thus far
And Grace will lead me home

Lokomaika'i He nani no
Ho'ola mai ia'u
Ua hewa ia e aloha 'ano
Ua po a e ua la

The earth shall soon
dissolve like snow

The sun forbear to shine
But God, who call'd me here below
Will be forever mine

Amazing Grace,
how sweet the sound
That sav'd a wretch like me
I once was lost, but now am found
Was blind, but now I see

MY SOUL'S MARCHING ON

The shining stars are sunk in darkness deep
The weary sun is dead at night
The moon's soft smile does fade anon
But there's no other way to go
And still my soul is marching on

Jaya Jaya Govinda Radha
Jaya Jaya Gopala

The grinding wheel of time has crushed
Full many a life of moon and star
And many brightly smiling morning
But there's no other way to go
And still my soul is marching on
The flowers bloomed then hid in gloom
The bounty of the tree did cease
Colossal men have come and gone
But there's no other way to go
And still my soul is marching on

The eons one by one are flying
My arrows one by one are gone
Dimly slowly life is fading
But there's no other way to go
And still my soul is marching on

Darkness, death and failures vied

To block my path they fiercely tried
My fight with jealous nature is strong
 It is so strong
 But there's no other way to go
And still my soul is marching on

NO MORE AM I

SINGING IN SILENCE – MERGING IN SILENCE
WITH MY LORD, BELOVED LORD

SWEET TEARS OF JOY – MELTING IN LOVE
WITH MY LORD, ETERNAL LORD

CRYING IN SILENCE – DEEPLY IN LOVE
WITH MY LORD, OMNIPRESENT LORD

NO MORE THINK I – NO MORE DO I
BUT MY LORD, O MY ENDLESS LORD

HUGGING YOU SOFTLY – COMING MUCH CLOSER
TO MY LORD, MY INVISIBLE LORD
SHUTTING MY EYES – TOUCHING THE ENDLESS
LIGHT
OF MY LORD, MY COSMIC LORD

IT'S GROWING STRONGER – MY YEARNING FOR
THEE
O MY LORD, MY INCREDIBLE LORD

NO MORE FEEL I – NO MORE AM I
BUT MY LORD, MY ONLY LORD

St. FRANCIS PRAYER

Dov'è odio, fa' che io porti amore
Dov'è offesa, ch'io porti il perdono
Dov'è discordia, ch'io porti l'unione
Dov'è il dubbio, ch'io porti la fede
Dov'è errore, ch'io porti la verità
Dov'è la disperazione,
ch'io porti la speranza
Dov'è la tristezza,
ch'io porti la gioia,
Dove son le tenebre,
ch'io porti la Tua luce
Oh Maestro, fa' che io
non cerchi tanto
Ad esser consolato,
quanto a consolare
Ad essere compreso,
quanto a comprendere
Ad essere amato,
quanto ad amare
Poiché si è dando che si riceve
E' perdonando, che si è perdonati
Ed è morendo che si rinasce
a vita eterna
Oh Signore, fa' di me
uno strumento della Tua pace

Where there is hatred

Let me sow love
Where there is injury
Let me sow pardon
Where there is discord
Let me sow union
Where there is doubt
Let me sow faith
Where there is error
Let me sow truth
Where there is despair
Let me sow hope
Where there is sadness
Let me sow joy
Where there is darkness
Let me sow light
O my Master grant that
I may not so much
Seek to be consoled
As to console
To be understood
As to understand
To be loved as to love.
For it's in giving
That we receive
It's in pardoning
That we are pardoned
And it's in dying
That we are born
To eternal life

O my Lord make me an instrument
Of Thy peace

SOMEWHERE OVER THE RAINBOW

Somewhere over the rainbow
way up high
and the dreams that
you dreamed of once in a lullaby

Somewhere over the rainbow
blue birds fly
And the dreams that you dream of
really do come true

Someday you wish upon a star
Wake up where the
clouds are far behind
Be where trouble melts
like lemon drops
High above the chimney tops
That's where you will find me

Somewhere over the rainbow
blue birds fly
and the dream that you dare to
o why o why can't I ?

Well I see trees of green
and red roses too

I watch them bloom for me and you
And I think to myself
What a wonderful world
Well I see skies of blue
and I see clouds of white
and the brightness of the day
I, like the dove
And I think to myself
What a wonderful world

The colors of the rainbow
so pretty in the sky
While also on the faces
of people passing by
See friends shaking hands, saying
– How do you do?
They're really saying – I, I love you

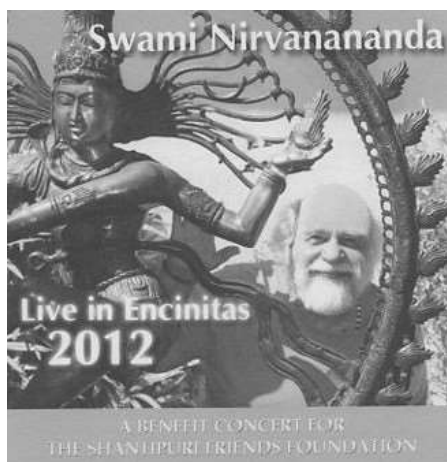

I hear babies cry and I often go
They will learn much more
than we will know
And I think to myself
What a wonderful world
Somewhere over the rainbow
blue birds fly
And the dreams that you dream of
really do come true

Someday I wish upon a star

Wake up where the clouds
are far behind
Be where trouble melts

CALL HER LOVE

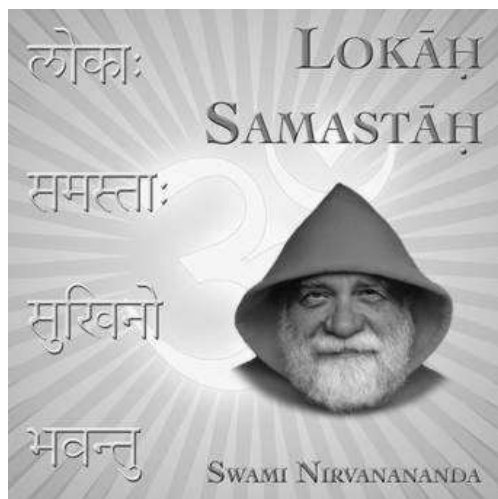

I've been beaten down
I've been kicked around
But She takes it all for me
And I lost my faith
In my darkest days
But she makes me want to believe.

They call Her love, love, love, love, love
They call Her love, love, love, love, love
She is love and She is all I need

Well I had my ways
They were all in vain
But She waited patiently
It was all the same
All my pride and shame
But She put me on my feet

They call Her love, love, love, love, love
They call Her love, love, love, love, love
She is love and She is all I need
She is love and She is all I need

I HAVE A DREAM

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels When I know the time is right for me
I will cross the stream – I have a dream

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile
I believe in angels
When I know the time is right for me
I will cross the stream – I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I will cross the stream – I have a dream

TEARS OF JOY

Will that day come to me, Ma?
Will that day come to me, Ma?
When singing “oh Mother dear”
o my eyes will flow tears?

Wisdom lotus will blossom forth,
Wisdom lotus will blossom forth,
all the darkness will steal away,
all the darkness will steal away!
Steal away, steal away...
all the darkness will steal away!

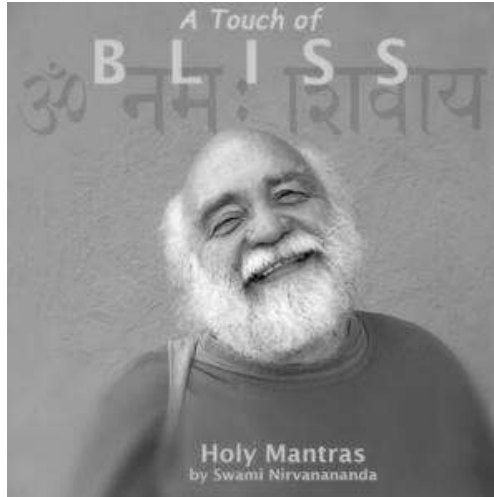

A thousand Vedas do declare,

Everywhere, everywhere

O HOLY NIGHT

O holy night
The stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
Till he appeared and the soul felt it's worth
The thrill of hope, the weary world rejoices
For yonder brinks a new and glorious morn

Fall on your knees
O hear the angel voices
O night divine
O night when Christ was born
O night divine
O night when Christ was born

Fall on your knees
O hear the angel voices
O night divine
O night when Christ was born

And a happy New Year
Let's hope it's a good one

TU SCENDI DALLE STELLE

Tu scendi dalle stelle, o Re del cielo,
e vieni in una grotta al freddo e al gelo. (2 v.)

O Bambino mio divino,
io ti vedo qui a tremar;
o Dio beato !

Ah, quanto ti costò l'avermi amato ! (2 v.)

A te, che sei del mondo il Creatore,
mancano panni e fuoco, o mio Signore. (2 v.)

O Bambino mio divino,
quanto questa povertà
più m'innamora,
giacché ti fece amor povero ancora. (2 v.)

STILLE NACHT

Stille Nacht, heilige Nacht, alles schläft, einsam wacht
Nur das traute hochheilige Paar. Holder Knabe im lockigen
Haar.

Schlaf in himmlischer Ruh', Schlaf in himmlischer Ruh'

Stille Nacht, heilige Nacht, Gottes Sohn, o wie lacht,
Lieb' aus deinem göttlichen Mund,
Da uns schlägt die rettende Stund.
Christ in deiner Geburt, Christ in deiner Geburt.

Stille Nacht, heilige Nacht, Hirten erst kundgemacht.
Durch der Engel Halleluja, tönt es laut von fern und nah,
Christ der Retter ist da, Christ der Retter ist da.

Silent night, Holy night
All is calm, all is bright
Round yon virgin , mother and child
Holy infant so tender and mild
Sleep in heavenly peace,
Sleep in heavenly harmony.
Silent night, Holy night
Shepherds quake, at the sight
Glories stream from heaven above
Heavenly, hosts sing Hallelujah.
Christ our Savior is born,
Christ our Savior is born.
Silent night, Holy night
Son of God, love's pure light

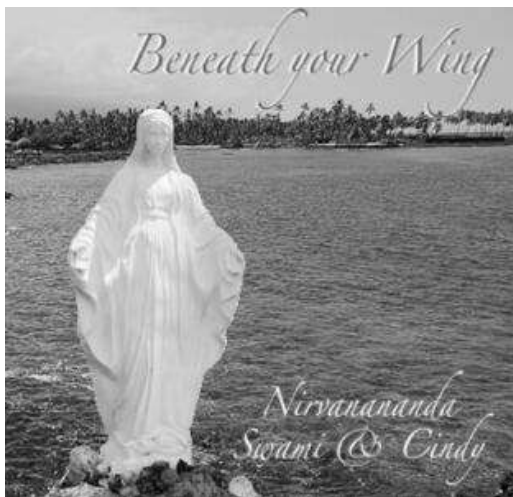

Radiant beams from thy holy face
With the dawn of redeeming grace,
Jesus, Lord at thy birth
Jesus, Lord at thy birth.

FROM THIS VALLEY

Oh the desert dreams of the river that will run down to the sea
like my heart longs for an ocean to wash down over me
Oh won't to take me from this valley to that mountain high
above

Oh I will pray, pray, pray till I see your shining face
I will pray, pray, pray to the one I love

Oh the outcast dreams of acceptance just to find pure love's
embrace
like an orphan longs for its mother may you hold me in your
Grace

Oh won't to take me from this valley to that mountain high
above

Oh I will pray, pray, pray till I see your shining face
I will pray, pray, pray to the one I love

Oh the caged bird dreams of a strong wind that will flow
beneath her wings
like a voice longs for a melody, oh Mother carry me
Oh won't to take me from this valley to that mountain high
above

Oh I will pray, pray, pray till I see your shining face
I will pray, pray, pray to the one I love

Oh I will pray, pray, pray till I see your shining face
I will pray, pray, pray to the one I love

I WILL SING TO YOU

I don't know where I'll go
but I'm here and you're near
so I'll sing to you, Ma
won't you sing with me too?

I will sing to you Ma
I will sing to you Ma
I will sing to you Ma
won't you sing with me too?

Yo no se donde es

Io non so dove andrò
ma son qui, qui con te
e ti canto Madre
vuoi cantare assieme a me?

MY NATIVE LAND

You o Mother of my love so grand
You o Mother of my love so grand
You o Mother, my native land

The friendly sky above
inviting shade of banyan tree
the holy Ganges flowing by
o how can I forget thee

My soul's broad love
by God's command
was first born here below
in my own native land

On India's sunny soil aglow
I love thy breeze, I love thy moon
I love the hills and seas, in thee
I wish my life to cease

You o Mother of my love so grand
You o Mother of my love so grand
You o Mother, my native land

You taught me first to love
the sky, the stars and God above
so my first homage
o India at thy feet I lay

I love the waving corn
of India's fields so bright
much better than those grown by
deathless gods of might

From thee I now have learnt to see
to love all lands alike as thee
o India, my native land, I bow to thee

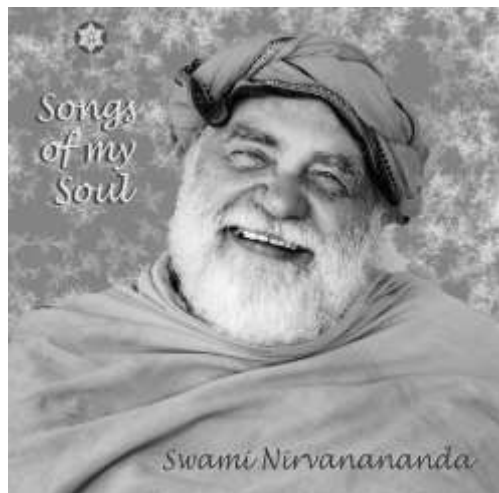

You o Mother of my love so grand
You o Mother of my love so grand
You o Mother, my native land

AS THE HEART LONGS (Psalm 42)

As the heart longs for flowing streams
So longs my soul for Thee o God
My soul does thirst for the living God
When shall I come to see Thy face?
My tears have fed me day and night
While men have said: Where is your God?
But I recall as my soul pours dry
The days of praise within your house
Why do I moan and toil within?
When it's mine to hope in God
I shall again sing praise to Him
He is my help, He is my God

Cercando il fiume corre la cerva
Così il mio cuore anela a Te
É assetata l'anima mia di Te
Quando potrà specchiarsi in Te?
Per lunghe notti e dì ho solo pianto
Mi hai scordato oh mio Signore?
Fai appassire così il mio cuor
Che senso ha una vita senza Te?
E quel tormento mi strugge ancora
Finché la speranza rinasce in me
Con canti e lodi esulta il mio cuor
Sei Tu la pace, il mio vero Amor

MY SOUL'S CALL

Mother, I give You my soul call,
You can't remain hidden anymore.

Give my Mother a soul call,
She can't remain hidden anymore.

Come out the silent sky,
come out the mountain glen.
Come out my secret soul, Mother,
come out my cave of silence.

Oh Madre...io Ti chiamo con tutta l'anima,
nel silenzio più non puoi restar.

Chiama mia Madre, con tutta l'anima,
nel silenzio più non può restare, oh Madre...

Sorti dal silente cielo,
sorti fuori da questa valle,
esci dall'anima mia segreta,
dalla casa del silenzio.

AT THY GURU'S FEET

Think ye in thy heart lotus feet of thy Guru.
If you want to cross the ocean of delusion.
Shaming the white lotus in purity
beyond all duality
Oh Guru, image of God,
deliver us from delusion!

Pensati solo per un momento
ai piedi del tuo Guru.
Sei vuoi attraversare
l'oceano dell'illusione
nel puro cuore del Guru
oltre ogni dualità.
Oh Guru, immagine di Dio,
liberaci dall'illusione!

WHEN THY SONG

Life is sweet and death is a dream
When Thy song comes to me my Lord
When Thy song flows through me
Joy is sweet and sorrow is a dream
When Thy song comes to me my Lord
When Thy song flows through me
Health is sweet and sickness is a dream
When Thy song comes to me my Lord
When Thy song flows through me
Praise is sweet and blame is a dream
When Thy song comes to me my Lord
When Thy song flows through me

Dolce è la vita, morire è un sogno
Quando canti qui con me o Dio,
io Ti sento vivo in me.
Dolce è la gioia, essere tristi un sogno.
Dolce è salute, soffrire è un sogno.
Dolce è la lode, essere in colpa è un sogno.

NADA TE TURBE

- St. Theresa

Nada te turbe, nada te espante,
quien a Dios tiene, nada le falta!
Nada te turbe, nada te espante,
solo Dios basta!

Que rien te trouble, que rien t'effraies,
qui à Dieu ne manque de rien!
Que rien te trouble, que rien t'effraies,
seul Dieu suffit!

Niente ti turbi, niente ti spaventi,
chi ha Dio niente gli manca!
Niente ti turbi, niente ti spaventi,
solo Dio basta!

Let nothing trouble you,
Let nothing frighten you
who ever has God lacks nothing!
Let nothing trouble you, Let nothing frighten you
God alone is enough!
Nichts beunruhige Dich,
nichts ängstige Dich!
Wer Gott hat, dem fehlt nichts,
Nichts beunruhige Dich,
nichts ängstige Dich! Gott allein genügt!

LISTEN, LISTEN, LISTEN

Listen, listen listen
to my heart's song:
I will never forget Thee;
I will never forsake Thee

Odi, Odi, Odi, il canto del mio cuore!
Odi, Odi, Odi, il canto del mio cuore!
Io mai più Ti scorderò, io mai più Ti lascerò!
Io mai più Ti scorderò, mai io Ti abbandonerò!

WHO IS IN MY TEMPLE ?

Who is in my Temple?
Who is in my Temple?
All the doors do open themselves
All the lights do light themselves
darkness like a dark bird
flies away, o flies away

Chi è nel mio tempio?
Chi è nel mio tempio?
Tutte le porte s'aprono,
tutte le luci si accendono!
Buio come nero uccello
vola via, vola via.
Buio come nero uccello vola via,
vola via. Vola via!

POLESTAR

I have made Thee, Polestar of my life
I have made Thee, Polestar of my life
and when the sea is dark,
and my stars are gone
And when the sea is dark
and my stars are gone
Still I see the path, through Thy mercy
Still I see the path, through Thy mercy

Io seguo Te,
Guru luce nella notte
Io seguo Te,
Guru luce nella notte
e se il mio mare è nero
e le stelle mie scomparse
E se il mio mare è nero
e le stelle mie scomparse
ancora cerco Te nelle tua misericordia,
ancora cerco Te nelle tua misericordia.

WITHOUT MEDITATION

Without meditation, mind, hither, thither wand'rest thou
O Adorable Him! O Adorable Him!
Search Him out in secret now in the silence of your heart.
Floating on the breeze of bliss
In the chariot of sky,
Peering into His eyes with thy diving eye,
Thousand petals' nectar drink!
Drink and drink, drink!
With cosmic mighty Om, deeper do thou sink.

Senza meditare va la mia mente qua e là...
Oh Adorabile, Oh Adorabile
Cercalo in segreto sì,
nel silenzio del tuo cuore
Immerso nell'oceano dell'estasi dall'alto del cielo,
scruta la Tua anima, nel Suo infinito Sé,
e raccogli il nettare, dei Suoi petali ...
Nell'infinito Om, nell'infinito Om,
immergiti e perditi, immergiti e perditi.

THOU ART MY LIFE

Thou art my life

Thou art my love

Thou art the sweetness which I do seek

In the thought by my love brought

In the thought by my love brought

I taste Thy Name so sweet, so sweet

Devotee knows how sweet You are

Devotee knows how sweet You are

He knows whom you let know

Sei tu la mia vita, sei tu il mio amore,

sei la dolcezza che io cercai!

Nel mio pensiero nato d'amor,

sento il soave nome Tuo.

Sa il tuo fedel che dolce sei,

solo colui cui fai sapere.

from Thy body do shine!

Little baby good night, in the skies stars are bright
May the moon's silvery beams, bring over you sweet dreams
Close your eyes, now and rest, may these hours be blessed

'Till the sky's bright with dawn, when you wake with a yawn
Little baby good night, you are mother's delight
I'll protect you from harm, and you'll wake in my arms
Sleepy head, close your eyes, for I'm right beside you
Guardian angels are near, so sleep without fear
Little baby good night, with roses bedight
Lilies o'er head, lay thee down in thy bed
Little baby good night, you are mother's delight
I'll protect you from harm, and you'll wake in my arms
Little baby sleep tight, my darling sleeping
On sheets white as cream, with a head full of dreams
Sleepyhead, close your eyes, I'm right beside you
Lay thee down now and rest, may your slumber be blessed
Go to sleep, little one, think of puppies and kittens.
Go to sleep, little one, think of butterflies in spring.
Go to sleep, little one, think of sunny bright mornings.
Hush, darling one, sleep through the night

IF YOU LISTEN

If you listen you can hear
Birds sing and flowers grow
If you listen you can hear
My love for you just flows

In the silence that surrounds
Deep peace and love are found
For endless days that we are here
My love will call you loud and clear

And in the silent place
Where loneliness is found
I'll wander through the open door
To look for you
There in that magic land
That lies beyond the clouds
Floating on the sea of dreams
I'll sing to you

Can you hear me calling out your name?
You know that I'm falling and I don't know what to say
I'll speak a little louder, I'll even shout
You know that I'm proud and I can't get the words out

O Maa I want to be with you everywhere
O Maa I want to be with you everywhere

This world's gone crazy, it's worse every day
Everywhere I turn, there is emptiness and pain
When I close my eyes I see your face
I call out your name and pray for your grace

Love eternal, Love divine
Maa fill my heart and fill my mind
With the light of your love guide my way
Make me your child I humbly pray
Can you hear me calling out your name?
You know that I'm falling and I don't know what to say

You know that I'm proud and I can't get the words out

OCEANS

You call me out upon the waters
The great unknown where feet may fall
And there I find you in the mystery
In oceans deep my faith will stand

And I will call upon your name
And keep my eyes above the waves
When the oceans rise
My soul will rest in your embrace
For I am yours and you are mine

Your grace abounds in deepest waters
Your loving hand will be my guide
Where feet may fail and fear surrounds me
You've never failed and you won't fail now

And I will upon your name
And keep my eyes above the waves
When the oceans rise
My soul will rest in your embrace
For I am yours and you are mine

Spirit lead me where my trust is without borders
Let me walk upon the waters
Whenever you would call me
Take me deeper than my feet could ever wander
And my faith will be made stronger

In the presence of of my Savior

And I will upon your name
And keep my eyes above the waves
When the oceans rise
My soul will rest in your embrace

MASTER'S LOVE FOR ME

by Dr. M. W. Lewis

How silently and sweetly the Master comes to me
and in his arms enfolds me in bliss and ecstasy.
My mind is calm and peaceful, all cares are swept away
and in his omnipresence, I know that I am free

MASTER'S LOVE FOR ME

by Dr. M. W. Lewis

How silently and sweetly the Master comes to me
and in his arms enfolds me in bliss and ecstasy.
My mind is calm and peaceful, all cares are swept away
and in his omnipresence, I know that I am free

How sweet the sound of OM, it's Master's voice I hear
in all pervading silence he whispers "I am here!"
My heart with love is flowing, it sings eternally
"There is no other love like Master's love for me"

Ed in silenzio viene il Maestro accanto a me
e tra le braccia sue mi stringe forte a sé
La mente mia si quietava e svanisce ogni dolor
La sua onnipresenza mi dona Libertà.

La voce del Maestro risuona assieme all'OM
e nel dolce suo silenzio, sussurra "Qui io son!"
E vola il mio cuore cantando con amor
"Non c'è Amor più grande del suo Amor per me".

GOD GOD GOD

From the depths of slumber
As I ascend the spiral stairway
Of wakefulness, I whisper...

Thou art the food

And when I break my fast
Of nightly separation from Thee
I taste Thee and mentally say...

No matter where I go,

The spotlight of my mind

Ever keeps turning on Thee

And in the battle din of activity,

My silent war-cry is ever...

Narayana Narayana Narayana Narayana

In waking and eating, in working and dreaming

In sleeping and serving, in meditating,

In chanting and loving, divinely loving,

my soul constantly hums, unheard by any...

When boisterous storms of trials shriek

And worries howl at me,

I will drown their noises, loudly chanting...

When my mind weaves dreams
With threads of memories,
on that magic cloth I do emboss...
Every night, in time of deepest sleep,
My peace dreams and calls: Joy, Joy, Joy, Joy
And my joy comes singing evermore...

In sleeping and serving, in meditating,
In chanting and loving, divinely loving,

PSALM 23

The Lord Is My Shepherd – by King David

The Lord is my shepherd I shall not want
He makes me lie down in green pastures

He leads me beside still waters. He restores my soul
He leads me in paths of righteousness for his name's sake

Even though I walk through the valley of the shadow of death
I will fear no evil, for you are with me

Your rod and your staff, they comfort me
You prepare a table before me in the presence of my enemies

You anoint my head with oil, my cup overflows
Surely goodness and mercy shall follow me

All the days of my life I shall dwell
In the house of the Lord forever and ever

SALMO 23 - Il Signore è il mio pastore.

Il Signore è il mio pastore non manco di nulla, su pascoli
erbosi mi fa riposare,
ad acque tranquille mi conduce. Mi rinfranca, mi guida per il
giusto cammino, per amore del suo nome. Se dovessi
camminare in una valle oscura, non temerei alcun male,
perché tu sei con me. Il tuo bastone e il tuo vincastro mi
danno sicurezza. Davanti a me tu prepari una mensa sotto gli

occhi dei miei nemici. Cospargi di olio il mio capo. Il mio calice trabocca. Felicità e grazia mi saranno compagne tutti i giorni della mia vita e abiterò nella casa del Signore per lunghissimi anni. - Salmo composto da Davide, "il soave cantore di Israele".
